### STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2018

The Directors present their Strategic Report for the year ended 31 March 2018.

#### Principal activity

UK Power Networks Services (Enterprises) Limited (the "Company") is an investment holding company. The Company's investment is detailed in note 9. Dividends from this investment are the principal source of income.

#### Ownership

The Company is a wholly owned subsidiary of the group headed by UK Power Networks Holdings Limited (the "Group"), which owns and operates electricity distribution networks in London, the South East and East of England serving over eight million customers.

#### Review of the business

The results for the year amounted to a profit before taxation of £1,377,000 (2017: £913,000) and a profit after taxation of £1,342,000 (2017: £876,000).

No dividends were paid during the year (2017: £Nil).

#### Principal risks and uncertainties

Due to the nature of the Company's business and the assets and liabilities contained within the Company's balance sheet, the Directors consider credit risk in respect of amounts due from Group undertakings to be the key financial risk. This risk is mitigated by the strong financial standing of these debtors and the Group's risk management framework, designed to assess, mitigate, monitor and report risks. A subcommittee of the Board, the Risk Management and Compliance Committee, oversees the risk management function and makes annual assessments of changes to significant risks and the effectiveness of the risk management processes.

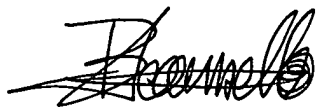

#### Future developments

The Directors expect the Company to maintain a consistent level of performance in the future.

#### Going concern

The Directors are confident that the Company has adequate resources to continue operating for the foreseeable future. Therefore the Directors continue to adopt the going concern basis in preparing the financial statements.

Approved by the Board on 7 August 2018 and signed on its behalf by:

Basil Scarsella

### **STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The Directors acknowledge their responsibilities for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF UK POWER NETWORKS SERVICES (ENTERPRISES) LIMITED**

#### **Report on the audit of the financial statements**

##### **Opinion**

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of UK Power Networks Services (Enterprises) Limited (the "Company") for the year ended 31 March 2018, which comprise:

- the Profit and Loss Account;
- the Statement of Comprehensive Income;
- the Balance Sheet;
- the Statement of Changes in Equity; and
- the related notes 1 to 14 including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", (United Kingdom Generally Accepted Accounting Practice).

##### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Conclusions relating to going concern**

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF UK POWER NETWORKS SERVICES (ENTERPRISES) LIMITED**

#### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Responsibilities of directors**

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### **Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or

## **UK POWER NETWORKS SERVICES (ENTERPRISES) LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018**

#### **1 General information**

UK Power Networks Services (Enterprises) Limited (the "Company") is incorporated in the United Kingdom under the Companies Act. The Company is a private company limited by shares and is registered in England and Wales.

The principal activities of the Company and the nature of the Company's operations are set out in the Strategic Report on page 2.

The address of its registered office is:

Newington House  
237 Southwark Bridge Road  
London  
SE1 6NP  
United Kingdom

#### **2 Accounting policies**

The principal accounting policies adopted by the Company are set out below. They have all been applied consistently throughout the current and preceding year.

##### **Basis of accounting**

The financial statements have been prepared under the historical cost convention, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council (FRC).

The functional currency of the Company is pounds sterling because that is the currency of the primary economic environment in which the Company operates.

The Company has taken advantage of certain exemptions in its financial statements on the basis that it meets the definition of a "qualifying entity" under FRS 102 being:

"a member of a group where the parent of that Group (UK Power Networks Holdings Limited) prepares publicly available consolidated financial statements which are intended to give a true and fair view and the member (the Company) is included in the consolidation."

The Company has therefore taken the exemption not to present a cash flow statement and not to disclose related party transactions with other wholly owned members of the Group.

##### **Consolidation**

The Company is exempt from preparing consolidated financial statements as it is a wholly owned subsidiary of UK Power Networks Holdings Limited which prepares consolidated financial statements which include the results of the Company and are publicly available.

##### **Going concern**

As discussed in the Strategic Report the Directors have, at the time of approving the financial statements, a reasonable expectation that the Company has adequate resources to continue operating for the foreseeable future. Therefore they continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 2 Accounting policies (continued)

##### Investments

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

#### 3 Critical judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 2, the Directors may be required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience or other factors that are considered to be relevant. Actual results might differ from these estimates.

In the Directors' opinion there are no critical judgements and key sources of estimation uncertainty that have a significant effect on the amounts recognised in these financial statements.

#### 4 Turnover

Turnover, which is stated net of value added tax, arises entirely in the United Kingdom and is attributable to management fees charged to the Company's investee.
