- 11.2.2 ensure that all dividends, distributions, interest and other monies declared, payable, paid or made in respect of the Securities received by or on behalf of that Company shall be held on trust for the Chargee (or its nominee) and promptly paid into an account designated by the Chargee or, if received by the Chargee (or its nominee) or any Delegate, may be applied by the Chargee as though they were the proceeds of sale.

11.3 The Chargee may, subject to any necessary approval from the court, end the appointment of an Administrator and appoint a replacement for any Administrator whose appointment ends for any reason.

11.4 The Chargee is not entitled to appoint a Receiver solely as a result of the obtaining of a moratorium (or anything done with a view to obtaining a moratorium) under Part A1 Insolvency Act other than in respect of a floating charge referred to in subsection (4) of section A52 of Part A1 Insolvency Act.

11.5 The Chargee may remove from time to time any Receiver appointed by it and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated for whatever reason.

11.6 If at any time and by virtue of any such appointment there is more than one Receiver of all or any part of the Charged Assets and/or the income from such Charged Assets, such persons shall have power to act jointly or severally or where there are more than two Receivers in combination (unless the contrary shall be stated in the deed(s) or other instrument(s) appointing them).

11.7 If the Chargee enforces this debenture itself pursuant to clause 11.1.3 it will have the same powers as a Receiver in respect of those Charged Assets which are the subject of the enforcement.

11.8 An Administrator shall have all the powers given to him under the Insolvency Act.

11.9 Any Receiver shall (in addition to the powers conferred by the LPA and (notwithstanding that he is not an administrative receiver) schedule 1 of the Insolvency Act or any other statute from time to time in force but without any of the restrictions imposed upon the exercise of those powers by such statutes) have the following powers:

- 11.9.1 the same powers to do, or to omit to do, in the name of and on behalf of a Company, anything which that Company itself could have done or omitted to do with such Charged Assets were they not the subject of this debenture and that Company were not in insolvency proceedings;
- 11.9.2 to take possession of, collect and get in all or any part of the Charged Assets and/or income in respect of which he was appointed;
- 11.9.3 to manage the Charged Assets and the business of that Company;

- 11.9.4 to redeem any security and to borrow or raise any money and secure the payment of any money in priority to the Secured Liabilities for the purpose of the exercise of his powers and/or defraying any costs or liabilities incurred by him in such exercise;
- 11.9.5 to alter, improve, develop, complete, construct, modify, refurbish or repair or apply for planning permission in relation to any building or land and to complete or undertake or concur in the completion or undertaking (with or without modification) of any project in which that Company is concerned or interested prior to his appointment, being a project for the alteration, improvement, development, completion, construction, modification, refurbishment or repair of any building or land;
- 11.9.6 to sell or concur in selling, leasing or otherwise disposing of all or any part of the Charged Assets in respect of which he was appointed without the need to observe any restriction imposed by section 103 or 109 LPA;
- 11.9.7 to carry out any sale, lease or other disposal of all or any part of the Charged Assets by conveying, transferring, assigning or leasing the same in the name of that Company and, for that purpose, to enter into covenants and other contractual obligations in the name of, and so as to bind, that Company;
- 11.9.8 to lease, make agreements for leases, accept surrenders of leases and grant options as the Chargee shall think fit and without the need to comply with any of the provisions of sections 99 and 100 LPA;
- 11.9.9 to take any such proceedings, in the name of that Company or otherwise, as he shall think fit in respect of the Charged Assets and/or income in respect of which he was appointed, including proceedings for recovery of Rental Income or other monies in arrears at the date of his appointment;
- 11.9.10 to enter into or make any such agreement, arrangement or compromise as he shall think fit;
- 11.9.11 to insure, and renew any insurances in respect of, the Charged Assets as he shall think fit, or as the Chargee shall direct;
- 11.9.12 to appoint and employ such managers, officers and workmen and engage such professional advisers as he shall think fit, including, without prejudice to the generality of the foregoing power, to employ his partners and firm;
- 11.9.13 to operate any rent review clause in respect of any property in respect of which he was appointed or any part of such property and to apply for any new or extended lease; and
- 11.9.14 to do all such other things as may seem to him to be incidental or conducive to any other power vested in him in the realisation of the security constituted by this debenture.
- 11.10 In making any sale or other disposal in the exercise of their respective powers, the Receiver, the Chargee or any Delegate may accept, as and by way of consideration for such sale or other disposal, cash, shares, loan capital or other obligations, including consideration fluctuating according to or dependent upon profit or turnover and consideration the amount of which is to be determined by a third party. Any such consideration may be receivable in a lump sum or by instalments and upon receipt by the Receiver, the Chargee or any Delegate shall be and become charged with the payment of the Secured Liabilities. Any contract for any such sale or other disposal by the Receiver, the Chargee or any Delegate may contain conditions excluding or restricting the personal liability of the Receiver, the Chargee and any Delegate.
- 11.11 Any Receiver appointed under this debenture shall be the agent of the relevant Company and the Companies shall be solely responsible for his acts and defaults and for his remuneration.
- 11.12 Any Receiver shall be entitled to remuneration for his services at a rate to be fixed by agreement between him and the Companies (or failing such agreement to be fixed by the Chargee) without the restrictions contained in section 109 LPA.
- 11.13 Only monies actually paid by a Receiver to the Chargee in satisfaction or discharge of the Secured Liabilities shall be capable of being applied by the Chargee in satisfaction of the Secured Liabilities.
- 11.14 Neither the Chargee nor any Receiver or Delegate shall be liable in respect of all or any part of the Charged Assets or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless such loss or damage is caused by its or his gross negligence or wilful misconduct.
- 11.15 Neither the Chargee nor any Receiver or Delegate is obliged to take any particular action to collect the Receivables and neither shall be liable to the Companies for the manner in which it collects or fails to collect any Receivable.
- 11.16 Without prejudice to the generality of clause 11.14, entry into possession of the Charged Assets shall not render the Chargee or the Receiver or any Delegate liable to account as mortgagee in possession and if and whenever the Chargee or any Receiver or Delegate enters into possession of the Charged Assets, it shall be entitled, any time at its discretion, to go out of such possession.
- 11.17 All or any of the powers which are conferred by this debenture on a Receiver may be exercised by the Chargee or any Delegate without first appointing a Receiver or notwithstanding the appointment of any Receiver.
- 11.18 Except to the extent provided by law, none of the powers described in this clause 11 will be affected by an insolvency event in relation to the Companies.
- 12. **POWERS OF ENFORCEMENT**
- 12.1 An Administrator will have all the powers given to him under the Insolvency Act.

- 12.2 A Receiver may exercise in respect of the Charged Assets to which he is appointed:
- 12.2.1 the same powers to do, or to omit to do, in the name of and on behalf of the Companies, anything which the Companies themselves could have done or omitted to do with such Charged Assets were they not the subject of this debenture and the Companies were not in insolvency proceedings;
 - 12.2.2 all or any powers given to receivers by the LPA but without any of the restrictions imposed upon the exercise of those powers by the LPA; and
 - 12.2.3 notwithstanding that he is not an administrative receiver, all or any of the powers specified in schedule 1 to the Insolvency Act.
- 12.3 If more than one person is appointed to act as Receiver, each person may act severally, independently of any other, except to the extent that the Chargee states to the contrary in the appointment. References in this debenture to the Receiver are to each and all of them as appropriate.
- 12.4 If the Chargee enforces this debenture itself pursuant to clause 11.1.3 it will have the same powers as a Receiver in respect of those Charged Assets which are the subject of the enforcement.
- 12.5 Except to the extent provided by law, none of the powers described in this clause 12 will be affected by an insolvency event in relation to the Companies.
- 12.6 No purchaser from or other person dealing with the Chargee or with any Receiver or Delegate will be obliged or concerned:
- 12.6.1 to enquire whether the right of the Chargee to appoint a Receiver or Delegate or the rights of the Chargee or any Receiver or Delegate to exercise the powers conferred by this debenture in relation to the Charged Assets have arisen or become exercisable by the Chargee or by such Receiver or Delegate; nor
 - 12.6.2 With notice to the contrary, or with the propriety of the exercise or purported exercise of those powers.
- The title of such a purchase and the position of such a person will not be impeachable by reference to any of the above matters.
13. **WAIVER OF DEFENCES**
- 13.1 The guarantee contained in clause 2.2 (*Covenant to pay and guarantee*) shall be a continuing security to the Chargee.
- 13.2 The guarantee contained in clause 2.2 (*Covenant to pay and guarantee*) shall not be considered to be satisfied by any intermediate payment or satisfaction of the whole or any part of the Secured Liabilities, the Charge or the existence of any credit balance on any account maintained by any Company with the Chargee, but shall extend to cover any Secured Liabilities from time to time.
- 13.3 The obligations of the Companies pursuant to the guarantee contained in clause 2.2 (*Covenant to pay and guarantee*) shall not be prejudiced by:
- 13.3.1 any time or other indulgence granted by any Secured Party to any Company or any other person;
 - 13.3.2 the liquidation, administration, administrative receivership, receivership, dissolution or other disability or incapacity of any Company or any other person;
 - 13.3.3 any lack of or limitation upon the borrowing or other powers of any Company or the absence of authority on the part of any Company in respect of the Secured Liabilities;
 - 13.3.4 any defect in or the invalidity or unenforceability of any other security or guarantee in favour of any Secured Party in respect of the obligations of any Company; or
 - 13.3.5 any other matter which might operate to prevent any Secured Party enforcing the obligations of any Company as primary obligor.
- 13.4 The Chargee shall at all times, in its absolute discretion, be entitled to:
- 13.4.1 vary, renew, determine, extend or increase any facilities made available to the Companies; and
 - 13.4.2 deal with, renew, vary, release, enforce or realise in any manner or to abstain from enforcing or perfecting on such terms as it deems fit any security or guarantee or other right which it may from time to time hold in respect of the Secured Liabilities,
- in each case without prejudicing or limiting the obligations of the Companies pursuant to the guarantee contained in clause 2.2 (*Covenant to pay and guarantee*).
- 13.5 The Chargee may at any time place and keep for such period as it thinks fit any monies received by it from the Companies to the credit of a separate suspense account, without any obligation to apply such monies in and towards the discharge of the Secured Liabilities other monies payable pursuant to the guarantee contained in clause 2.2 (*Covenant to pay and guarantee*).
14. **SUBORDINATION**
- 14.1 If any Company is wound-up, the Chargee may prove in such winding up for all Secured Liabilities and shall be entitled to retain the whole of the distribution paid to it, to the exclusion of any rights of any Company, as guarantor in competition with the Chargee until the Chargee's claim has been satisfied in full.

- 14.2 No Company will seek to prove for any monies owing to it from any other Company in any winding up unless and until the Secured Liabilities, together with any other monies payable pursuant to the guarantee contained in clause 2, has been irrevocably repaid in full.
- 14.3 No Company will, without the prior written consent of the Chargee, take any promissory note, bill of exchange, mortgage, charge or other security, of any kind from any other Company in respect of its liability to the Chargee pursuant to the guarantee contained in clause 2.
15. **THE CHARGEES POWERS AND PROTECTIONS**
- 15.1 The powers and remedies conferred on the Chargee as a mortgagee by the LPA shall not be subject to any of the restrictions imposed by the LPA upon the exercise of those powers and remedies including those imposed by sections 103 and 109 LPA.
- 15.2 The Chargee may grant or accept surrenders of leases at a premium or otherwise and grant agreements or options for the same on such terms as it shall consider expedient and without the need to observe sections 99 and 100 LPA.
- 15.3 The restrictions on the right of consolidating mortgages contained in section 93 LPA will not apply to this debenture.
- 15.4 The Chargee will not be liable to account as mortgagee in possession of the Charged Assets or be liable for any loss upon realisation or for any neglect or default of any nature whatsoever for which a mortgagee may be liable.
- 15.5 The Chargee is not obliged to take any particular action to collect any Company's Receivables and neither shall be liable to the Companies for the manner in which it collects or fails to collect such Receivables.
- 15.6 If the Chargee receives notice of any subsequent Security affecting the Charged Assets then the Chargee may open a new account for the Companies. If it does not open a new account then, unless it notifies the Companies otherwise, it shall be treated as if it had done so at the time when it received such notice. From that time onwards all payments received by the Chargee in or towards payment of the Secured Liabilities shall be credited (or be treated as having been credited) to the new account and will not reduce the amount then due from the Companies to the Chargee.
16. **APPLICATION OF MONIES**
- 16.1 All money received by the Chargee or any Receiver under this debenture will be applied in the following order:
- 16.1.1 firstly, in or towards payment of all costs, charges and expenses incurred in or incidental to the exercise or performance (or attempted exercise or performance) by the Chargee the powers or authorities conferred by or in any other way connected with this debenture;
- 16.1.2 secondly in or towards payment of liabilities having priority to the Secured Liabilities;
- 16.1.3 thirdly, in or towards payment to the Receiver of his remuneration fixed in accordance with this debenture;
- 16.1.4 fourthly, in or towards payment to the Chargee of the Secured Liabilities; and
- 16.1.5 fifthly, in payment to the Companies of any surplus (if any).
- 16.2 Any surplus shall not carry interest. The Receiver or the Chargee may pay any surplus into any of the Companies' bank accounts including an account opened specifically for such purpose. The Receivers or the Chargee shall then have no further liability for such surplus.
- 16.3 The Chargee or the Receiver may credit any monies received upon realisation of the Charged Assets to a suspense account for so long and on such basis as the Chargee or the Receiver may from time to time determine in order to preserve the Chargee's right to prove for the whole of its claim against any Company or any other person liable.
- 16.4 Any money received by the Companies under any insurance of the Charged Assets will be treated as part of the Charged Assets. It will be applied at the discretion of the Chargee either in reducing the Secured Liabilities or towards making good the loss or damage for which the money became payable. Any money received by the Companies under any insurance of the Charged Assets shall be held on trust for the Chargee pending such application.
17. **PROTECTION OF THIRD PARTIES**
- 17.1 Any person dealing with the Chargee or a Receiver may assume, unless he has actual knowledge to the contrary that:
- 17.1.1 the Chargee or such Receiver has the power to do the things which they purport to do; and
- 17.1.2 they are exercising their powers properly.
- 17.2 All the protections to purchasers by sections 104 and 107 LPA shall apply to any person purchasing from or dealing with any Receiver or the Chargee as if the Secured Liabilities had become due and the statutory power of sale and appointing a receiver in relation to the Charged Assets had arisen on the date of this debenture.
18. **CONTINUING AND ADDITIONAL SECURITY**
- 18.1 This debenture is a continuing security. It secures the ultimate balance of the Secured Liabilities despite any interim settlement of account until a final discharge of this debenture is given by the Chargee to the Companies.
- 18.2 The rights of the Chargee under this debenture are in addition to any other rights they may have against the Companies (or any other person in respect of the Secured Liabilities) under any other document, the general law or otherwise. The rights of the Chargee will not merge with or limit those other rights or be limited by them.
- 18.3 The Chargee is not obliged to make any claim or demand on the Companies or any other person or to enforce any guarantee, mortgage or other security now or in the future held by it before enforcing this debenture and no action

taken or omitted in connection with any such right or instrument shall discharge, reduce or affect the Companies' liability to the Chargee. The Chargee does not have to account for any money or other asset received pursuant to any such right or instrument.

19. **EXPENSES AND INDEMNITIES**

19.1 The Companies will on demand pay all professionals' fees (including VAT) and any other costs, charges or expenses (on a full indemnity basis) incurred by the Chargee and any Administrator or Receiver in connection with the actual or attempted perfection, preservation, defence or enforcement of this debenture or the preservation or disposal of any Charged Assets or the exercise of any power under this debenture or any amendment, waiver, consent or release of this debenture.

19.2 The Companies will on demand indemnify the Chargee, any Administrator and any Receiver and any of its and their officers and employees and any attorney, agent or other person appointed by the Chargee under this debenture (each an **Indemnified Party**) in respect of all costs, losses, actions, claims, expenses, demands or liabilities whether in contract, tort, or otherwise and whether arising at common law, in equity or by statute which may be incurred by, or made against any of them at any time relating to or arising directly or indirectly out of:

19.2.1 anything done or omitted to be done in the exercise or purported exercise of the powers contained in this debenture;

19.2.2 a claim of any kind (including one relating to the environment) made or asserted against any Indemnified Party which would not have arisen if this debenture had not been executed; or

19.2.3 any breach by the Companies of any of its obligations under this debenture,

unless, in the case of 19.2.1 and 19.2.2 it was caused by the gross negligence or wilful misconduct of the Indemnified Party.

19.3 Neither the Chargee nor any Administrator or Receiver nor any officer nor employee of either of them shall in any way be liable or responsible to the Companies for any loss or liability of any kind arising from any act or omission by it of any kind (whether as mortgagee in possession or otherwise) in relation to the Charged Assets, except to the extent caused by its own gross negligence or wilful misconduct.

20. **PAYMENTS**

20.1 The Chargee or any Receiver or Administrator may convert any money received under this debenture (including the proceeds of any previous conversion) into such currency as the Chargee or such Receiver may think fit in order to discharge the Secured Liabilities. Any such conversion shall be effected at the then prevailing spot selling rate of exchange of the Chargee's bankers for such other currency against the existing currency.

20.2 If the amount of the currency so converted is less than the amount of the Secured Liability concerned, the Companies will indemnify the Chargee in respect of that shortfall.

20.3 Any certificate signed by the Chargee as to any amount payable under this debenture at the date of such certificate shall, in the absence of manifest error, be conclusive evidence of such amount and be binding on the Companies.

20.4 All amounts payable by the Companies under this debenture will be paid in full without set off or other deduction unless required by law.

20.5 The Chargee may at any time without notice set off against any Secured Liabilities any amount owed by it to the Companies. The Chargee may effect such set off by transferring all or any part of any balance standing to the credit of any of the Companies' accounts with it to any other account or by combining or consolidating such accounts.

21. **DISCHARGE**

21.1 Upon the Secured Liabilities being irrevocably and unconditionally paid or discharged in full, the Chargee will, at the request and cost of the Companies, release this debenture. The Chargee will also re-assign or transfer to the Companies any Charged Assets which have been assigned or transferred to the Chargee.

21.2 If any payment by the Companies or any other person or any release given by the Chargee is avoided or adjusted pursuant to the Insolvency Act:

21.2.1 the Companies' liability for the Secured Liabilities will continue as if the payment, release, avoidance or adjustment had not occurred; and

21.2.2 the Chargee will be entitled to recover the value or amount of that payment or security from the Companies as if the payment, release, avoidance or adjustment had not occurred.

22. **TRANSFERS AND DISCLOSURES**

22.1 The Chargee may assign or transfer all or any part of its rights under this debenture in accordance with and subject to the provisions of the Facility Agreement.

22.2 No Company may assign, transfer, charge, make the subject of a trust or deal in any other manner with this debenture or any of its rights under this debenture or purport to do any of the same without the prior written consent of the Chargee.

23. **THIRD PARTY RIGHTS**

23.1 Subject to clause 23.2, a person who is not a party to this debenture shall have no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce or rely upon a provision of this debenture. No party to this debenture may hold

itself out as trustee of any rights under this debenture for the benefit of any third party unless specifically provided for in this debenture.

23.2 The Indemnified Parties are entitled under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this debenture which confers (expressly or impliedly) any benefit on any such Indemnified Party.

23.3 The Companies and the Chargee shall not be required to obtain the consent of the Indemnified Parties to the termination or variation of this debenture or to the waiver or settlement of any right or claim arising under it.

24. **NOTICES**

The provisions of clause 16 (*Notices*) of the Facility Agreement shall be deemed to be incorporated into this debenture, *mutatis mutandis*, as if the same were set out in full herein.

25. **GENERAL**

25.1 Any waiver, consent or approval given by the Chargee of or under this debenture shall only be effective if given in writing. Any such waiver, consent or approval shall then only apply for the purpose stated and be subject to any written terms and conditions imposed by the Chargee.

25.2 Each provision of this debenture is severable and distinct from the others. If at any time any provision of this debenture is or becomes unlawful, invalid or unenforceable to any extent or in any circumstances for any reason, it shall to that extent or in those circumstances be deemed not to form part of this debenture but (except to that extent or in those circumstances in the case of that provision) the legality, validity and enforceability of that and all other provisions of this debenture shall not be affected in any way.

25.3 If any provision of this debenture is found to be unlawful, invalid or unenforceable in accordance with clause 25.2 but would be lawful, valid or enforceable if some part of the provisions were deleted, the provision in question shall apply with such modification(s) as may be necessary to make it lawful, valid or enforceable.

25.4 No failure or delay by the Chargee in exercising a right or remedy provided by this debenture or by law will constitute a waiver of that (or any other) right or remedy. No single or partial exercise, or non exercise or non-enforcement by the Chargee of any right or remedy provided by this debenture or by law prevents or restricts any further or other exercise or enforcement of that (or any other) right or remedy.

25.5 The Chargee may release or compromise the whole or any part of the liability of any one or more of the Companies under any provision of this debenture, or grant to any Company any time or other indulgence, without affecting the liability of any other Company. No waiver by the Chargee of, or delay in enforcing, any of the provisions of this debenture shall release any Company from the full performance of its remaining obligations under this debenture.

25.6 The rights, powers and remedies of the Chargee contained in this debenture are cumulative and not exclusive of any rights, powers or remedies provided by law.

25.7 This debenture may be executed in any number of counterparts, each of which when executed and delivered shall be an original. All the counterparts shall together constitute one and the same debenture, which shall be deemed executed when counterparts executed by the Chargee and all of the Companies are delivered.

26. **GOVERNING LAW AND JURISDICTION**

26.1 This debenture shall be governed by and interpreted in accordance with English law. Non-contractual obligations (if any) arising out of or in connection with this debenture (including its formation) shall be governed by English law.

26.2 The Companies and the Chargee agree to submit to the exclusive jurisdiction of the English Courts in relation to any claim or matter (whether contractual or non-contractual) arising under this debenture.

26.3 Each of the Companies and the Chargee irrevocably waives any objection which it might at any time have to the courts of England being nominated as the forum to decide any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with this debenture (including non-contractual disputes and claims) and agrees not to claim that the courts of England are not a convenient or appropriate forum.

THE COMPANIES have executed this debenture as a deed and delivered it on the date first set out above.
