Directors' report for the year ended 31 December 2009

The directors present their report and the financial statements of the company for the year ended 31 December 2009

Business review and principal activity

The company has not traded during the year and accordingly no profit and loss account has been presented. The directors do not recommend a dividend payment (2008: no dividend payment)

Business environment

The company does not trade and this is expected to remain the case for the foreseeable future

Business strategy

The company does not trade and this is expected to remain the case for the foreseeable future

Training and development

The company has no employees and does not trade

Research and development

The company does not trade and this is expected to remain the case for the foreseeable future

Future outlook

The company does not trade and this is expected to remain the case for the foreseeable future

Financial risk management

The financial risk management objectives and policies of the company are the same as for Xchanging plc, the ultimate parent undertaking. The company complies with the group financial risk management policies as the directors consider these to be appropriate. The company has minimal financial risk as it does not trade.

Directors

The directors who held office during the year and up to the date of signing the financial statements were

Darren Fisher

Gary Whitaker

By order of the board

Darren Fisher
Director
