The financial statements were approved by the Board of Directors on $2\frac{4}{10}/97$

The directors are satisfied that the company was entitled to exemption under subsection (1) of section 249A of the Companies Act 1985 and that no member or members have requested an audit pursuant to subsection (2) of section 249B in relation to the accounts for the financial year.

The directors acknowledge their responsibilities for:

- i) ensuring that the company keeps accounting records which comply with section 221;
- ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with requirements of this Act relating to accounts, so far as applicable to the company.

The directors have taken advantage of the exemptions conferred by Part 1 of Schedule 8 of the Companies Act 1985 and have done so on the grounds that in their opinion the company is entitled to these exemptions as a small company.

A J WEISZ - Direct

NOTES TO THE FINANCIAL STATEMENTS

AT 31 DECEMBER 1995

ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below and have been consistently applied within the same financial statements.

Basis of Preparation of the Financial Statements

The financial statements have been prepared under the historical cost convention.

The effect of events relating to the year ended 31 December 1995 which occurred before the date of approval of the financial statements by the Board of Directors, have been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 December 1995 and of the results for the year ended on that date.

Depreciation

Depreciation is provided on all tangible fixed assets, at the following annual rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life.

Computer equipment

- 33% straight line

Deferred Taxation

The company has adopted the proposals of Statement of Standard Accounting Practice No.15 whereby no provision has been made for deferred taxation arising from the excess of accelerated capital allowances over depreciation charged in the financial statements as no liability of this nature is expected to arise in the foreseeable future.

Foreign Exchange

Transactions denominated in foreign currencies are translated into sterling and recorded at the rate of exchange ruling at the date of the transaction.

Balances at the year end denominated in a foreign currency are translated into sterling at the rate of exchange ruling at the balance sheet date.

2. TURNOVER

The company's turnover represents the value, excluding value added tax, of goods and services supplied to customers during the year.
