Notes to the Abbreviated Accounts
for the year ended 31 October 2007

1 Accounting policies

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002)

Turnover

Turnover represents the invoiced value of services supplied by the company, net of value added tax

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives

Furniture and equipment	25% reducing balance
-------------------------	----------------------

Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse
