NOTES TO THE BALANCE SHEET

AT 31ST MARCH 2008

The director is satisfied that the company is entitled to exemption under section 249A(1) of the Companies Act 1985 and that no member or members have requested an audit pursuant to section 249B(2) of the Act

The director acknowledges his responsibility for ensuring the company keeps accounting records which comply with section 221 of the Companies Act 1985 and for preparing accounts that give a true and fair view of the state of affairs of the company as at the end of the financial year, and of its profit and loss for the year, in accordance with the requirements of section 226, and which otherwise comply with the Act relating to the accounts

The financial statements, which have been prepared in accordance with the special provisions of part VII Companies Act 1985 applicable to small companies, and in accordance with the Financial Reporting Standard for Smaller Entities, were approved on 31st July 2008

M W Millard
Director

1. ACCOUNTING POLICIES**Basis of preparation of accounts**

The financial statements are prepared under the historical cost convention

Cash flow statement

The company has taken advantage of the exemption in FRS1 from the requirement to prepare a cash flow statement on the grounds that it is a small company

Turnover

Turnover comprises the invoiced sale value of goods, exclusive of Value Added Tax and trade discounts

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets less their estimated residual value, over their expected useful lives on the following bases

Plant & equipment	15% per annum, reducing balance basis
Motor vehicle	20% per annum, reducing balance basis

Deferred taxation

Deferred taxation is provided in the accounts on reversible timing differences only to the extent that a material liability will crystallise in the near future

Stock

Stock is stated at the lower of cost and net realisable value, after making allowance for obsolete and slow-moving stocks
