NOTES TO THE UNAUDITED ACCOUNTS
For the Year Ended 31 March 2013

1. Accounting Policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents invoiced ground rent collection

Tangible Fixed Assets

Freehold Property Reversionary Interest

In the directors' opinion, the market value of the properties is in excess of cost and therefore no depreciation is provided. Although this accounting policy is in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), it is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated. In the opinion of the directors, compliance with the standard is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been changed cannot be separately identified or quantified.
