1 ACCOUNTING POLICIES

(a) Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 1985 and applicable accounting standards.

(b) Taxation

Provision is made for deferred tax liabilities and assets, using full provision accounting, otherwise known as the incremental liability method, when an event has taken place by the balance sheet date which gives rise to an increased or reduced tax liability in the future in accordance with FRS 19. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

2 TURNOVER

The company did not trade during the year to 30 April 2008.
