SOPRA STERIA SERVICES LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2019

The Directors present their report and the financial statements for the year ended 31 December 2019.

In preparing this report, the Directors have taken advantage of the exemptions provided by section 415A of the Companies Act 2006 which include the exemption from producing a Strategic Report.

Directors' responsibilities statement

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal activity

The principal activity of the Company continues to be the holding of investments in Group companies.

Directors

The Directors who served during the year and to the date of this report were:

Mr D S Ahluwalia
Ms K M Clark-Bracco
M P-Y Commanay
Mr J J Moran
Mr J N M Neilson (appointed 1 July 2020)
Mr J P Torrie (resigned 1 July 2020)

Future developments

There are no plans for the Company to resume trading in the next financial year.

The United Kingdom's withdrawal from the European Union and the end of the Implementation Period on 31 December 2020 is not expected to have a material impact on the Company.

SOPRA STERIA SERVICES LIMITED

**DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2019**

Qualifying third party indemnity provisions

The Directors have been granted an indemnity from the Company against liability incurred by them in the discharge of the duties of their office. Neither the Company's indemnity nor insurance provides cover in the event that a Director is proved to have acted fraudulently, in knowing breach of trust or otherwise dishonestly.

Disclosure of information to auditor

Each of the persons who are Directors at the time when this Directors' Report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Events after the reporting period

Subsequent to the end of the reporting period, there has been a global pandemic from the outbreak of COVID-19. The Directors have considered the effect of the COVID-19 pandemic and determined that these are non-adjusting subsequent events. They believe the Company to be largely unaffected.

The Government has announced that it intends to cancel the proposed reduction in the rate of corporation tax referred to in note 5. As this cancellation had not been substantively enacted as at the end of the reporting period, the change has not been taken into account in these financial statements. The adjustment is expected to lead to a decrease in equity and profit of approximately £129 thousand.

There have been no other significant events affecting the Company since the year-end.

Auditor

Under section 487(2) of the Companies Act 2006, Mazars LLP will be deemed to have been reappointed as auditor 28 days after these financial statements were sent to members or 28 days after the latest date prescribed for filing the accounts with the registrar, whichever is earlier.

This report was approved by the board on 15 December 2020 and signed on its behalf.

D S Ahluwalia
Director

SOPRA STERIA SERVICES LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF SOPRA STERIA SERVICES LIMITED

Opinion

We have audited the financial statements of Sopra Steria Services Limited for the year ended 31 December 2019 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "Reduced Disclosure Framework".

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2019 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Emphasis of matter – Going concern and the impact of the COVID-19 outbreak on the financial statements

In forming our opinion on the company's financial statements, which is not modified, we draw your attention to the directors' view on the impact of the COVID-19 as disclosed on page 3, and the consideration in the going concern basis of preparation on page 11.

There has been a global pandemic from the outbreak of COVID-19. The impact of COVID-19 became significant in March 2020 and has caused widespread disruption to normal patterns of business activity across the world, including the UK.

The impact of COVID-19 continues to evolve and, based on the information available at this point in time, the Directors have assessed the impact of COVID-19 on the business and have concluded that adopting the going concern basis for preparation of the financial statements is appropriate.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specific by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement set out on page 2, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

SOPRA STERIA SERVICES LIMITED

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF SOPRA STERIA SERVICES LIMITED
(CONTINUED)**

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2019**

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

The Company's functional and presentational currency used is Pounds Sterling and amounts are presented in round thousands (£000). The recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU (EU-endorsed IFRSs) have been applied to the financial statements, except for certain disclosure exemptions detailed below and, where necessary, amendments have been made in order to comply with the Companies Act 2006 and The Large and Medium-sized Companies and Groups Regulations 2008/410 ('Regulations').

The financial statements have been prepared on the historical cost basis, except financial instruments which are measured in terms of IFRS 9 'Financial Instruments'. The principal accounting policies set out below have been consistently applied to all periods presented.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies. The Directors consider that there are no areas of significant estimation or uncertainty in these financial statements.

The Company is exempt from preparing group accounts under s400 of the Companies Act 2006 as at 31 December 2019, its ultimate parent, Sopra Steria Group S.A., prepares and publishes consolidated accounts which include the results of the Company and are publicly available.

The following principal accounting policies have been applied:

SOPRA STERIA SERVICES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

1. Accounting policies (continued)

1.2 Financial reporting standard 101 - reduced disclosure exemptions

In preparing these financial statements the Company has taken advantage of all disclosure exemptions conferred by FRS 101 'Reduced Disclosure Framework'. Therefore these financial statements do not include:

- certain comparative information as otherwise required by EU-endorsed IFRS;
- certain disclosures regarding the Company's capital;
- a statement of cash flows;
- the effect of future accounting standards not yet adopted;
- the disclosure of the remuneration of key management personnel; and
- disclosure of related party transactions with other wholly owned members of the group headed by Sopra Steria Group S.A.

In addition, and in accordance with FRS 101 'Reduced Disclosure Framework', further disclosure exemptions have been adopted because equivalent disclosures are included in the consolidated financial statements of Sopra Steria Group S.A. These financial statements do not include certain disclosures in respect of:

- Share-based payments;
- Financial Instruments (other than certain disclosures required as a result of recording financial instruments at fair value);
- Fair value measurement (other than certain disclosures required as a result of recording financial instruments at fair value); and
- Impairment of assets.

The financial statements of Sopra Steria Group S.A can be obtained as described in note 11.

1.3 Adoption of new and revised standards

The adoption of the following mentioned standards, amendments and interpretations in the current year has not had a material impact on the Company's financial statements:

	EU effective date, periods beginning on or after
IFRIC 23 Uncertainty over Income Tax Treatments	1 January 2019
Amendments to IAS 19 Employee Benefits: Plan Amendment, Curtailment or Settlement	1 January 2019
IFRS 9 - Amendments to prepayments and negative compensation	1 January 2019
Annual improvements to IFRSs (2015 - 2017 Cycle)	1 January 2019
Amendments to IAS 28 Investments in Associates and Joint Ventures: Long-term Interests in Associates and Joint Ventures	1 January 2019
IFRS 16 Leases	1 January 2019

1.4 Going concern

The Directors are satisfied that the Company has adequate resources for its foreseeable needs given current budget and forecasts, availability of liquid resources and current loan facilities. For this reason the Directors have concluded that there are no material uncertainties in adopting the going concern basis in preparing the financial statements.

SOPRA STERIA SERVICES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

1. Accounting policies (continued)

1.5 Finance costs

Finance costs are charged to the Statement of Comprehensive Income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

1.6 Valuation of investments

Investments in subsidiaries are measured at cost less accumulated impairment.

Investments in unlisted Company shares, whose market value can be reliably determined, are remeasured to market value at each reporting date. Gains and losses on remeasurement are recognised in the Statement of Comprehensive Income for the period. Where market value cannot be reliably determined, such investments are stated at historic cost less impairment.

1.7 Financial Instruments

The Company recognises financial instruments when it becomes a party to the contractual arrangements of the instrument. Financial instruments are de-recognised when they are discharged or when the contractual terms expire. The Company's accounting policies in respect of financial instruments transactions are explained below:

Financial assets

The Company classifies all of its financial assets as loans and receivables.

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers (e.g. trade receivables), but also incorporate other types of contractual monetary asset. They are initially recognised at fair value plus transaction costs that are directly attributable to their acquisition or issue, and are subsequently carried at amortised cost using the effective interest rate method, less provision for impairment.

Impairment provisions are recognised when there is objective evidence (such as significant financial difficulties on the part of the counterparty or default or significant delay in payment) that the Company will be unable to collect all of the amounts due under the terms receivable, the amount of such a provision being the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable. For trade receivables, which are reported net, such provisions are recorded in a separate allowance account with the loss being recognised within administrative expenses in the Statement of Comprehensive Income. On confirmation that the trade receivable will not be collected, the gross carrying value of the asset is written off against the associated provision.

Financial liabilities

The Company initially recognises all of its financial liabilities at fair value net of any transaction costs directly attributable to the issue of the instrument. Such interest-bearing liabilities are subsequently measured at amortised cost using the effective interest rate method, which ensures that any interest expense over the period to repayment is at a constant rate on the balance of the liability carried into the Statement of Financial Position.

SOPRA STERIA SERVICES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

1. Accounting policies (continued)

Financial liabilities at amortised cost include amounts owed to group undertakings.

1.8 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Statement of Financial Position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

2. Auditor's remuneration

For both the current and prior years, the audit fee of £1,000 was borne by Sopra Steria Limited, a subsidiary company.

3. Directors and other employees

The Directors of the Company are also directors of other companies within the same group in the United Kingdom. Two of the Directors received total remuneration from UK Group companies for the year of £1,458,469 (2018: £1,118,524), all of which was paid by Sopra Steria Limited. The Directors do not believe that it is practicable to apportion this amount between their services as Directors of the Company and their services as Directors of other group companies.

The Company had no employees during the year or the prior year. Accordingly there are no staff costs that are required to be disclosed.

Subsequent to the end of the reporting period, there has been a global pandemic from the outbreak of COVID- 19. The Directors have considered the effect of the COVID-19 pandemic and determined that these are non-adjusting subsequent events. They believe the Company to be largely unaffected.

The Government has announced that it intends to cancel the proposed reduction in the rate of corporation tax referred to in note 5. As this cancellation had not been substantively enacted as at the end of the reporting period, the change has not been taken into account in these financial statements. The adjustment is expected to lead to a decrease in equity and profit of approximately £129 thousand.

11. Controlling party

The Company's immediate parent company is Sopra Steria Holdings Limited, a company registered in England and Wales.

The Company's ultimate holding company at the end of the reporting period is Sopra Steria Group S.A., a company registered in France and listed on the Euronext stock exchange. Sopra Steria Group S.A. has included the Company and its immediate holding company in its group accounts, copies of which may be obtained from the Investor Relations and Corporate Development Director, Sopra Steria Group S.A., PAE les Glaisins, 74940 Annecy-le-Vieux, France. They are also available on the Sopra Steria Group's website at www.soprasteria.com.

The smallest and largest group in which the results of the Company are consolidated is Sopra Steria Group S.A. In these accounts, "Group" refers to the group of companies of which Sopra Steria Group S.A. is the ultimate holding company.
