DIRECTORS' REPORT

The Directors present their report and the audited financial statements for the year ended 31 July 1998.

STATEMENT OF DIRECTOR' RESPONSIBILITIES

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and the profit or loss of the company for the period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ACTIVITIES

The primary activities of KCL Enterprises Limited are:-

- i) to assist King's College London to market its research and consultancy capabilities;
- to negotiate all contracts related to i) above with particular reference to improving the recovery of indirect costs associated with research activities;
- iii) to provide financial management of research grants and contracts of the College;
- iv) to protect and exploit the intellectual property of the College generated from its research activities.

Additionally the company provides the College with general advice and assistance on commercial matters (e.g. tendering for teaching contracts) and on external affairs relevant to the research market. The company provides seminars and training courses for the College's academic staff on the above mentioned topics. The Managing Director is appointed as a co-opted member of the College Research Committee.

KCL ENTERPRISES LIMITED DIRECTORS' REPORT (continued)

REVIEW OF THE BUSINESS AND FUTURE PROSPECTS

Turnover for 1997/8 substantially exceeded the previous year through higher income from patents and reimbursement of services rendered to the College. This resulted in an operating profit for the year of £311,160 which was ahead of plan. Profit was covenanted to the College.

In the forthcoming year KCL Enterprises Limited will expand its activities to provide research support services to the newly enlarged King's College London resulting from mergers with the Institute of Psychiatry and the United Medical and Dental Schools of Guy's and St Thomas' Hospitals. A modest increase in turnover is planned but additional staff will be employed to provide these services resulting in an expected reduction in profit margin.

The company is currently assessing the impact of the year 2000 software modifications. At this point in time the company believes it is justified in assuming that the cost of year 2000 compliance will not be significant.

DIVIDENDS

The financial statements of the company are to be found on pages 5 to 10 of this report. The Directors do not propose a dividend (1997:nil).

DIRECTORS

The Directors holding office during the year are detailed on page 1.

DIRECTORS' INTERESTS IN SHARES

None of the Directors held any beneficial interests in the share capital of the company.

AUDITORS

Deloitte & Touche have expressed their willingness to continue in office as auditors and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

By order of the Board,

D O Ball, Director 8 December 1998

AUDITORS' REPORT TO THE MEMBERS OF KCL ENTERPRISES LIMITED

We have audited the financial statements on pages 5 to 10 which have been prepared under the accounting policies set out on page 7.

Respective responsibilities of Directors and auditors

As described on page 2, the company's Directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 July 1998 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
