### PROGRESS DURING THE PERIOD

Attached at Appendix 1 is our abstract of receipts and payments for the Administration period Detailed below are the only variations following our last Progress report to creditors dated 5 January 2011

### Receipts

Book Debts - £223 25

Creditors will recall from our last Progress Report dated 5 January 2011 that £14,515 54 had been received in respect of book debts

The account now shows a further £223 25 has been collected in respect of book debts since our last report to creditors

The Joint Administrators are aware that a number of book debt receipts credited the Company account prior to our Appointment, therefore diminishing total debtors received. No further book debt receipts are likely and have since been written off as irrecoverable.

Bank Interest Net of Tax - £0 48

The above amount has been received in respect of Bank Interest

### **Expenditure**

Agents / Valuers Fees - £7,500 00

Since our last report to creditors the sum of £7,500 has been incurred in Agents' Fees (BTG Asset Consulting) for preparing Reports and valuing the Company's assets

Storage Costs - £510 00

The above amount has been incurred in respect of storage costs during the period

### OUTCOME FOR CREDITORS

### Secured creditor

The Royal Bank of Scotland Plc, ('the Bank'), provided an initial overdraft facility of £125,000, secured by way of a debenture incorporating both fixed and floating charges over the entire assets and undertakings of the Business

The sum of £77,224 62 has been paid to the Bank under their fixed charge security in full and final settlement of the debt due. The Bank has therefore suffered a shortfall under their security of £47,755 38

### Preferential creditors

There have been insufficient realisations to pay a dividend to the preferential creditors

Prescribed Part for unsecured creditors pursuant to Section 176A of the Act

To the best of the Joint Administrators' knowledge and belief, there are no unsatisfied floating charges created or registered on or after 15 September 2003 and, consequently, there is no net property as defined in Section 176A(6) of the Act and, therefore, no prescribed part of net property is available for distribution to the unsecured creditors

### **Unsecured creditors**

There have been insufficient realisations to pay a dividend to unsecured creditors

Exit from the Administration

As the Notice accompanying this report confirms, once registered by Companies House (which we anticipate shortly), our appointment as Joint Administrators will cease to have effect and, unless the court makes an order otherwise, the Company will be deemed dissolved at the end of the period of three months from the date of registration of the notice (Form 2 35 B)

### ADMINISTRATOR'S PROPOSALS

Attached at Appendix 2 is a summary of the Joint Administrators' proposals as deemed approved under Rule 2 33(5) of the Insolvency Rules 1986 in the absence of an initial meeting of creditors

There have been no major amendments or deviations to these proposals

# 7. SUMMARY OF STEPS TAKEN DURING THE ADMINISTRATION

The work carried out by the Joint Administrators and action they have taken since Appointment can be categorised into the following key work areas

### 1 Staff Dismissals

Following our Appointment on 5 February 2010, 2 shop floor staff and 1 office member were retained in order to facilitate the ongoing trading of the Company 13 members of staff were made redundant of which all claims were processed by the Redundancy Payments Office

### 2 Sale of the Business & Assets

Following our Appointment, the Joint Administrators instructed Eddisons Commercial Limited ('Eddisons') to advise on all asset matters arising pursuant to the Appointment

A sales pack was subsequently prepared and circulated to all interested parties. This culminated in three offers for the purchase of the Company assets, two of which were rejected after detailed consideration. In accordance with agents' recommendations, the accepted offer was exchanged and completed simultaneously on 19 March 2010 with an initial and non-refundable deposit of £50,000. The offer received and accepted for the purchase of the entire assets of the Company was apportioned as follows -

- £85,000 for the Goodwill and Intellectual Property
- II £50,000 for all stock, plant & machinery and un-encumbered motor vehicles

The sale falls within the criteria of Statement of Insolvency Practice Number 13, acquisition of assets of insolvent companies by directors. The details of which were fully disclosed in our previous Reports to creditors.

### 3 Strategy Agreement with Secured Creditor

The Royal Bank of Scotland Pic ('the Bank') held security by way of a Debenture, incorporating both fixed and floating charges over the undertaking and all property and assets present and future including Goodwill, Book Debts, uncalled capital, buildings fixtures and fixed plant & machinery. The Bank agreed to the strategy proposed by the Joint Administrators for the Administration period and agreed to the Sale and nature of the transaction described above, enabling the deal to complete

# 8. THE ADMINISTRATORS' REMUNERATION AND DISBURSEMENTS

As previously reported, the Joint Administrators' remuneration is fixed by reference to the time properly given by the Joint Administrators (as administrators) and the various grades of their staff calculated at the prevailing hourly charge out rates of Begbies Traynor (Central) LLP for attending to matters arising in the Administration and they are authorised to draw disbursements, including disbursements for services provided by their firm (defined as Category 2 disbursements in Statement of Insolvency Practice 9), in accordance with their firm's policy, details of which accompanied the Statement of Proposals of the Joint Administrators for Achieving the Purpose of the Administration pursuant to Paragraph 49 of Schedule B1 to the Insolvency Act 1986 and Rule 2 33 of the Insolvency Rules 1986

The relevant resolutions were approved by the secured creditor on 8 April 2010 pursuant to Rule 2 106 of the Rules

Total time spent on this assignment amounts to 593 80 hours at an average composite rate of £156 93 per hour resulting in total time costs to date of £96,135 50. Total remuneration drawn in accordance with the above approval amounts to £26,000 00, subsequently leaving outstanding time costs of £70,084 84 for the Administration period.

Creditors will note that Appendix 1 reflects that £432 16 is remaining in the account. This amount will be used to extinguish the costs associated with closing the Administration and our outstanding time costs.

The following further information as regards time costs and expenses is set out at Appendix 3

- Begbies Traynor (Central) LLP's policy for re-charging expenses/disbursements
- Begbies Traynor (Central) LLP's charge-out rates
- Narrative summary of time costs incurred

### 9. OTHER RELEVANT INFORMATION

Report on Directors conduct

As detailed in the Joint Administrators' statement of proposals, the Joint Administrators have a duty to submit a report to the Department for Business, Innovation and Skills on the conduct of the Director. The Joint Administrators have complied with their duties in this respect

### 10. CONCLUSION

Creditors will recall from my previous report, dated 5 January 2011, that the Joint Administrators were seeking an extension of the Administration in accordance with Paragraph 76 of Schedule B1 to the Insolvency Act 1986

The Joint Administrators consider that the objective of the Administration has largely been achieved. We are confident that this process has achieved the optimum outcome for The Royal Bank of Scotland Plc, than would have been attainable by an alternative insolvency procedure. In particular, being able to continue to trade in the context of an Administration as an alternative to Liquidation has significantly enhanced the prospects of a return to creditors.

We now maintain that there are no further matters outstanding for which the Joint Administrators are required to remain in office. All expected realisations have been made and we now deem this matter as concluded. The extension of the Administration is now approaching expiration, we thereby propose that the Company proceed into Dissolution.

I enclose Form 2 35B, Notice of Dissolution from Administration, which once registered by Companies House, our Appointment as Joint Administrators will cease to have effect

Unless a Court makes an order otherwise the Company will be dissolved after a period of three months from the date of the registration of the Notice at Companies House

If any creditors wish to discuss the contents of this report they should contact this office in writing as a matter of urgency

  - Which cannot, or cannot easily, be directly related to a particular insolvency case because there is an element of shared or allocated cost; and/or
