DIRECTORS' REPORT

The directors present their report and the audited financial statements of the company for the year ended 31 December 2011

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. The directors are required to prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

The directors confirm that suitable accounting policies have been used and applied consistently in the preparation of the financial statements. They also confirm that reasonable and prudent judgements and estimates have been made in preparing the financial statements and that applicable accounting standards have been followed.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Each person who is a director at the date of approval of this report confirms that

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.
