Notes to the Financial Statements
for the Year Ended 31st December 2019

1. STATUTORY INFORMATION

Mori Lee (UK) Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents the invoiced value of sales made to customers after deduction of discounts and value added tax. Turnover is recognised when the risks and rewards of the underlying products have been substantially transferred to the customer and when it can be reliably be measured. With the sale of goods, this occurs when goods are despatched.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 25% on cost

Stocks

Stocks are stated at the lower of cost and net realisable value. Cost is based on purchase cost on a first in, first out basis and includes other costs incurred in the normal course of business in bringing the stocks to their present location and condition. Net realisable value is the price at which stocks can be sold in the normal course of business after deducting costs of realisation.

Taxation

Taxation for the year comprises current tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is not recognised in the financial statements due to the immaterial nature of the amounts involved.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.
