1/5

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the study and the objectives of the research. It also mentions the scope of the study and the limitations of the research.

2. The second part of the report is a literature review. It discusses the work of other researchers in the field and identifies the gaps in the existing literature. It also mentions the theoretical framework of the study.

3. The third part of the report is a description of the research methodology. It discusses the research design, the data collection methods, and the data analysis methods. It also mentions the reliability and validity of the research.

4. The fourth part of the report is a presentation of the research findings. It discusses the results of the study and compares them with the findings of other researchers. It also mentions the implications of the study for practice and policy.

5. The fifth part of the report is a conclusion. It summarizes the main findings of the study and discusses the limitations of the research. It also mentions the suggestions for further research.
