For the year ended 30 Nov 08 the company was entitled to exemption under section 249aa(1) of the Companies Act 1985.

No members have required the Company to obtain an audit of its accounts for the year in question in accordance with section 249b(2).

The directors acknowledge their responsibility for:

- (i). Ensuring the Company keeps accounting records which comply with section 221.
- (ii). Preparing accounts which give a true and fair view of the state of affairs of the Company at the end of its financial year, and of its profit and loss for the financial year in accordance with section 226, and which otherwise comply with the requirements of the Companies Act relating to accounts, so far as applicable to the company.

Approved by the board of directors on 12/04/09 and

signed on their behalf by  (Director)

WEDNESDAY

1. The first part of the report discusses the importance of maintaining accurate records of all transactions and the role of the auditor in ensuring the integrity of the financial statements. It also highlights the need for transparency and accountability in the reporting process.

2. The second part of the report focuses on the specific challenges faced by auditors in the current economic environment, particularly the impact of the COVID-19 pandemic. It examines how these challenges have affected the audit process and the need for adaptability and innovation in response.

3. The third part of the report discusses the importance of maintaining accurate records of all transactions and the role of the auditor in ensuring the integrity of the financial statements. It also highlights the need for transparency and accountability in the reporting process.

4. The fourth part of the report discusses the importance of maintaining accurate records of all transactions and the role of the auditor in ensuring the integrity of the financial statements. It also highlights the need for transparency and accountability in the reporting process.

5. The fifth part of the report discusses the importance of maintaining accurate records of all transactions and the role of the auditor in ensuring the integrity of the financial statements. It also highlights the need for transparency and accountability in the reporting process.
