

DIRECTORS' REPORT

This Directors' Report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption. The Company has been dormant as defined in section 1169 of the Companies Act 2006 (CA 2006) throughout the year and preceding year.

Adoption of Financial Reporting Standard (FRS) 102

The Financial Reporting Council has issued FRS 100 *Application of Financial Reporting Requirements*, FRS 101 *Reduced Disclosure Framework* and FRS 102 *The Financial Reporting Standard applicable in the UK and the Republic of Ireland*. These standards are applicable to all companies and entities in the UK and the Republic of Ireland, other than listed groups which continue to report under EU-adopted International Financial Reporting Standards (IFRS), for accounting periods which commenced on or after 1 January 2015.

FRS 100 sets out the overall financial reporting framework for companies in the UK and Ireland. FRS 101 applies to the individual financial statements of subsidiaries and ultimate parents, allowing them to apply the same accounting policies as in their listed group accounts, but with fewer disclosures. FRS 102 is a single financial reporting standard that applies to the financial statements of entities that are not applying EU-adopted IFRS, FRS 101 or the Financial Reporting Standard for Smaller Entities (FRSSE).

Having determined that it was in the best interests of the Company to adopt FRS 102, the directors sought and received the necessary approval from shareholders for the adoption of FRS 102 for the period under review.
