DIRECTORS' RESPONSIBILITIES AND ACCOUNTING POLICIES

STATEMENT OF DIRECTORS' RESPONSIBILITIES

In respect of preparation of the financial statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice. Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing those accounts the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ACCOUNTING POLICIES

Accounting Convention

The financial statements have been prepared under the historical cost convention.

Turnover- Income Recognition

Turnover represents the fair value of consultancy services and development work carried out during the year excluding VAT.

Tangible Fixed Assets

Depreciation is provided to write off the cost of each asset in equal instalments over its remaining useful life at the following rates:

Motor Vehicles	-	25%
Plant and Machinery	-	33 1/3%

Foreign Currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rates of exchange ruling at the date of transactions. Exchange differences are taken into account in arriving at the operating profit.

Deferred Tax

Deferred tax is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred is accounted for in respect of all material timing differences, except for deferred tax assets, which are only recognised to the extent that they are regarded as recoverable. Deferred tax assets and liabilities are not discounted.
