#### **DIRECTORS' REPORT**

The directors present their report and the accounts for the year ended 31 March 1998.

#### STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare accounts that give a true and fair view of the state of affairs of the company and of the profit or loss for its financial year. In doing so the directors are required to:

- select suitable accounting policies and apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### PRINCIPAL ACTIVITY AND BUSINESS REVIEW

The principal activity of the company is that of nursing homes.

The directors are pleased with the results for the year and hope the level of business can be maintained. The directors consider the company's financial position at the end of the year to be satisfactory.

#### **DIVIDENDS**

The directors do not recommend that a dividend be paid.

## YEAR 2000 COMPLIANCE

Many computer systems and digital storage systems express dates using only the last two digits of the year and thus will require modification or replacement to accommodate the Year 2000 and beyond. This is a complex and pervasive issue. The operation of a business depends not only on ones own computer system, but also to some degree on those of suppliers and customers. This could expose a business to further risk in the event that there is a failure by other parties to remedy their own Year 2000 issues.

In view of the nature of the company's business, the directors do not believe that the impact on the business will be significant.

### **DIRECTORS**

Throughout the year Messrs T G Parsons, S M Moxham and S W Galbraith were directors of the company and also directors of the ultimate parent company, Midland Concert Promotions Group Limited, and their interests in the shares of that company are shown in its accounts. Mr M T Jones a director of the company and the ultimate parent company, resigned on 28 July 1998.

The other director of the company, who had no interest in the shares of Midland Concert Promotions Group Limited was Mrs V A Elms.

No director had an interest in the shares of the company.

#### **AUDITORS**

A resolution will be proposed at the annual general meeting to re-appoint Moores Rowland as auditors.

Approved by the board on to become 1998 and signed on its behalf by:

#### ACCOUNTING POLICIES

Basis of accounting

The accounts have been prepared in accordance with applicable accounting standards and under the historical cost convention.

Intangible fixed assets

Purchased goodwill is amortised over 10 years which is the period over which the directors estimate that benefit will be derived.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are depreciated so as to write them off over their anticipated useful lives by equal instalments at the following annual rates:

Motor vehicle 20% Fixtures, fittings and equipment 20%

Freehold land is not depreciated. The directors have reassessed the life of the freehold buildings and consider that, given the high standard on maintenance undertaken, the residual value is such that depreciation is not significant.

### Deferred taxation

Deferred taxation is calculated by the liability method and provision is made to the extent that it is probable a liability will crystallise.
