1. **Statutory information**

Central Van & Truck Centre Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. **Accounting policies**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures & Equipment	- 33% on reducing balance and 2% on reducing balance
Tools	- 20% on reducing balance

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Financial instruments**

Financial assets and financial liabilities are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

Trade and other debtors and creditors are classified as basic financial instruments and measured at initial recognition at transaction price. Debtors and creditors are subsequently measured at amortised cost using the effective interest rate method. A provision is established when there is objective evidence that the company will not be able to collect all amounts due.

Cash and cash equivalents are classified as basic financial instruments and comprise cash in hand and at bank and bank overdrafts.

Financial liabilities and equity instruments issued by the company are classified in accordance with the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs.

**Taxation**

Taxation for the year comprises current tax. Tax is recognised in the Profit and Loss Account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

3. **Employees and directors**

The average number of employees during the year was NIL (2017 - NIL).
