ETRUSCA LIMITED COMPANY VOLUNTARY ARRANGEMENT

1 Introduction

- 1.1 I, Alan Simon AFA MIPA FABRP, was appointed Supervisor of the Company Voluntary Arrangement (CVA) on 8 July 2011.
- 1.2 It was estimated that the Company would maximise contributions as follows under the terms of agreement:
 - 1.2.1. Etrusca has a contract with Tocco Limited whereby it will receive from Tocco Limited 37.5% of the actual savings achieved by Tocco on purchases made within a given month (estimated at 20% of cost) and of that 37.5% income Etrusca will in turn pay to the benefit of the Arrangement the full amount less administrative expenses of £1,000 per month.
 - 1.2.2. The total amount estimated contributions have been capped at £240,000 by cross reference with the agreement between Tocco Limited and Etrusca Limited.
- 1.3 This report provides an update on the progress of the CVA. At Appendix A, I have provided an account of my Receipts and Payments for the year ended 7 July 2014, with a comparison to the Directors' Statement of Affairs values together with a cumulative account since my appointment.

2 Voluntary Contributions and Assets

- 2.1 As will be noted from the attached Receipts & Payments account, contributions totalling £2,123.37 have been received during the reporting period in respect of the savings achieved less administrative expenses of £1,000 per month.
- 2.2 As at the anniversary of the Arrangement contributions totalling, £17,653.32 had been received.

3. Income and Expenditure

- 3.1. The terms of the Arrangement provide for the Company to provide the Supervisor with management accounts for the previous 12 months within one month of each anniversary of approval of the Arrangement for the duration of the Arrangement. As the contributions to be received into the CVA stem from a direct correlation to the cost of sales experienced by Tocco Limited, the purpose of the Supervisor's review of the Company's accounts is not to consider whether monthly contributions are being capable of being increased.

4. Creditors' Claims and Dividends

Preferential Creditors

- 4.1. There are no preferential creditors' claims in this Arrangement.

Unsecured Creditors

- 4.2. I am currently reviewing the claims of the unsecured creditors. To date, I have agreed 9 claims totalling £945,675.61.

Dividends

- 4.3. To date, no dividends have been distributed to unsecured creditors' due to insufficient funds.

5. Supervisor's Remuneration

- 5.1. The Arrangement provides that my remuneration will be based upon the time costs of the Supervisor and staff in executing the Arrangement.
- 5.2. My time costs to date amount to £34,230, which represents 140.50 hours at an average hourly rate of £243.63 per hour. To date £13,096.91 has been drawn on account. Attached as Appendix B is a Time Analysis in accordance with the provisions of Statement of Insolvency Practice 9 (**SIP9**), which provides details of the activity costs incurred by staff grade to date.

Attached, as Appendix C is additional information in relation to the firm's policy on staffing, the use of sub-contractors and re-charging of disbursements.

A copy of 'A Creditors' Guide to Insolvency Practitioners Fees' is available on request or can be downloaded from www.aabrs.com/about-us/creditors-guides.

- 5.3. The Supervisor's time costs in the proposal were estimated at £10,000 over the five year term of the Arrangement.
- 5.4. The increase in Supervisor fees is primarily due to dealing with a number of matters above and beyond that originally envisaged prior to the commencement of the Arrangement and specifically the reconciliation of trading figures on a monthly basis.

6. Post Reporting Period

- 6.1. Trading figures have shown that since July 2013 there has been a significant drop in turnover such that the average contribution to the CVA has reduced to £137.05 per month, an amount that barely covers the administrative costs of making and receiving the contributions. Etrusca does not foresee that there will be any significant increase in turnover in the immediate future and is therefore proposing to offer a sum in full and final settlement of its obligations under the terms of the CVA. A variation report has been circularised to creditors under separate cover.

Yours faithfully

Alan Simon
Supervisor
