# 1. Accounting Policies

## 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and include the results of the company's operations as indicated in the directors' report, all of which are continuing.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

## 1.2 Turnover

Turnover represents amounts receivable for goods and services provided in the UK net of VAT and trade discounts.

## 1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Leasehold properties - Straight line over the life of the lease

Plant and machinery - 20% Reducing balance

Fixtures, fittings

and equipment - 20% Reducing balance Motor vehicles - 25% Reducing balance

# Notes to the Abbreviated Accounts for the 13 month period ended 30th April 1997

# 1.4 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

## 1.5 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

## 1.6 Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value.

#### 1.7 Pensions

The pension costs charged in the financial statements represent the contributions payable by the company during the 13 month period in accordance with SSAP 24.

#### 1.8 Deferred taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the directors consider that a liability to taxation is unlikely to crystallise.

## 1.9 Group Accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company has not prepared group accounts as it is exempt from the requirement to do so by section 248 of the Companies Act 1985 as the group qualifies as a small sized group.
