Registered Address: 55 Baker Street, London, W1U 7EU

Liquidator: Malcolm Cohen

Liquidator Address: 55 Baker Street, London, W1U 7EU

Date of Appointment: 10 May 2011

I enclose, for your information, an annual progress report for the Companies for the period from 10 May 2012 to 9 May 2013.

Receipts and Payments

I enclose a receipts and payments account for each of the five Companies for the liquidation accounts that are denominated in Sterling. In addition, I also enclose receipts and payments accounts for the US Dollar denominated currency accounts for MHH, MHT and MHB.

I trust that the contents are self explanatory, with the detail to certain matters having been provided in my previous progress report dated 15 May 2012 and which covered the period from the date of appointment to 9 May 2012. I expand further below, however, on specific matters which have arisen during the most recent period.

Stock in Trade - Wine

The wine was held by agents, Bordeaux Index ("BI"), who undertook a sales process to dispose of the wine. Since this wine was sold by BI for a total of £200,113.31 (accounted for in the estates of both MHT and MHH), it was brought to my attention that further wine belonging to MHH was held with Sotheby's. Members of my staff have been in correspondence with BI to arrange for the sale of this stock, which has been valued at £3,110 for an outright sale.

As agreed, this offer has been accepted and arrangements have now been made between BI and Sotheby's for this stock to be transferred to the control of BI. The sale proceeds will shortly be remitted to the Liquidation account. As I understand that half of this stock belongs to a trustee, a proportion of any proceeds will then be transferred accordingly.

Other Realisations

You will be aware that, at the time of my last statutory report, the businesses of the marketable securities were subject to sales negotiations. If these negotiations are concluded prior to the conclusion of the liquidations, the securities may be sold, although this has as yet to occur. It is proposed that the shares will be distributed in specie, in accordance with the instructions of Unicorn Associates Limited ("Unicorn") as the immediate parent of the Group. I await confirmation of Unicorn's instructions in this regard.

MHH also has a £600k loan from Badbeat (a formerly associated company), which will also be distributed in specie in due course.

A significant rates refund of c£17k was received by MHT in respect of overpaid rates for the period from 1 May 2009 to 31 March 2010 for the company's premises at Manchester Square.

Further debtors were received into the estate of MHT in respect of a debt due from a former employee, and a refund due on a trade account.

Record Destruction

You may be aware that ongoing storage costs have been incurred in the Liquidation of MHT in respect of company records held by a third party storage agent. I have been in protracted correspondence with this agent to arrange for a quote for the secure destruction of these files, which has now been received.

I am awaiting the confirmation of the trustees that I can proceed with this destruction, although in the meantime I have obtained confirmation from the agent that no storage fees will be charged for the period since April 2012, which you will appreciate would have otherwise incurred a substantial cost.

HM Revenue & Customs ("HMRC")

Confirmation from HMRC that there are no outstanding tax matters is required before the liquidations may be closed.

The Corporation Tax returns for all pre-liquidation periods were prepared by colleagues in my firm's tax department and have been submitted, and payment of any outstanding liabilities made.

MHT, MHH and MHB formed a VAT group. VM had its own VAT registration and MHBH was not registered for VAT. All pre-liquidation VAT returns have been filed.

The final PAYE returns for the year 2011/12 have also been filed.

Clearance was requested from HMRC in respect of all pre and post-liquidation periods on all of the Companies' accounts, and I am pleased to confirm that this has now been received from the relevant local compliance offices and HMRC's Insolvency Claims Handling Unit.

You may recall that there was a delay in receiving clearance from HMRC due to refunds due on the PAYE account for MHT. These were significant, totalling in the region of £280k, plus accrued interest. Elements of these refunds have been received as at the date of report, although subsequent to the date of the period accounted for on the enclosed account of my receipts and
