# DIRECTORS' RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit and loss of the company for that period. In preparing these financial statements, the directors have

- -- selected suitable accounting policies and then applied them consistently,
- -- made judgements and estimates that are reasonable and prudent,
- -- followed applicable accounting standards, and
- -- prepared the financial statements on the going concern basis

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities
