Abbott & Co (Newark) Ltd

Notes to the abbreviated financial statements for the year ended 30 September 2014

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

1.3. Research and development

Research expenditure is written off to the profit and loss account in the year in which it is incurred.

1.4. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Plant and machinery	-	12.5% on cost
Fixtures, fittings and equipment	-	20% on cost
Motor vehicles	-	25% straight line

1.5. Investments

Fixed asset investments are stated at cost less provision for permanent diminution in value.

Current asset investments are at the lower of cost and net realisable value.

1.6. Stock

Stock is valued at the lower of cost and net realisable value.

1.7. Pensions

The pension costs charged in the financial statements represent the contribution payable by the company during the year.

1.8. Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exceptions:

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.
