- 15 1 to execute and deliver and otherwise perfect any agreement, assurance, deed, instrument or document, and
- 15 2 to perform any act,

in each case which may be required of you (including, without limitation, any action which you are obliged to take pursuant to clause 6 (*Further Assurance*)) or may be deemed by the attorney necessary or desirable for any purpose of this deed, or to create or perfect any fixed security over any of the Assets or to convey or transfer legal ownership of any Assets

16 Set-off

We may retain any money standing to the credit of any of you with us (in any currency, in any country and whether or not in your name) as cover for the Indebtedness. We may apply all or any of that money in satisfaction of all or part of the Indebtedness as we may select (whether presently payable or not). We may also use that money to purchase any other currency required for this purpose.

17 Foreign currencies

If, for any reason, any amount payable by any of you to us is paid or recovered in a currency other than that in which it is required to be paid ('the contractual currency') and, when converted into the contractual currency at our exchange rate applicable at the time, leaves us with less than the sum payable in the contractual currency, you must make good the amount of the shortfall on demand.

18 Authority of the Agent

- 18 1 The Agent is irrevocably authorised by each of you (other than the Agent), at any time while you remain bound by the provisions of this deed, with our prior agreement, (i) to add any further member of the Group as a party to this deed, (ii) to appoint another member of the Group to act as its successor as Agent, and/or (iii) to sign any document and perform any act on behalf of each or any of you required to effect or implement any of these matters

19 Accession of new parties

- 19 1 Any member of the Group may at any time, with the prior written approval of the Agent and ourselves, become a party to this deed by delivering to us in form and substance satisfactory to us (i) a deed of accession and charge substantially in the form set out in the second schedule and (ii) certified extracts from the minutes of a meeting of its Board of Directors evidencing due authorisation and execution of that deed of accession and charge
- 19 2 The new party shall become a party to this deed with effect from the time when the deed of accession and charge takes effect, at which point,
- the new party shall become bound by all the terms of this deed and shall assume the same obligations as if it were party to this deed as an Original Security Obligor, and
 - the existing parties to this deed shall assume the same obligations in respect of the new party as if it were party to this deed as an Original Security Obligor

20 Transfer and disclosure

- 20 1 We may at any time transfer all or any part of our rights under this deed and the Indebtedness to any person or otherwise grant an interest in them to any person
- 20 2 We may also at any time disclose any information about any of you, this deed and the Indebtedness to
- any of our associated companies,
 - any prospective or actual transferee or grantee referred to in clause 20 1, and
 - any other person considered by us to be concerned in the relevant or prospective transaction

21 Forbearance and severance

- 21 1 No delay or omission on our part in exercising any right, power or privilege under this deed will impair it or be construed as a waiver of it. A single or partial exercise of any right, power or privilege will not in any circumstances preclude any other or further exercise of it or the exercise of any other right, power or privilege
- 21 2 If any provision of this deed is or becomes invalid or unenforceable, the remainder of it shall not be affected and each provision shall be valid and enforceable to the fullest extent permitted by law

24 Counterparts and commencement

24.1 This deed may be executed in any number of counterparts and by different parties to it in separate counterparts, each of which when executed and delivered shall be an original. All such counterparts will together constitute one and the same instrument.

24.2 This deed shall come into effect on the date inserted by us on the front page and shall be binding on all those that have executed and delivered it, notwithstanding that any one or more companies that were intended to execute it may not do so or may not be effectually bound.

24.3 This deed is designated as a Finance Document.

25. Service of demands and notices

A demand or notice under this deed may be given on our behalf by any of our managers or officers in accordance with the notice provisions contained in clause 32 (*Notices and Agency*) of the Receivables Financing Agreement.

This deed of guarantee and fixed and floating charge is executed by each of you and the Agent as a deed and signed by us

The First Schedule

Terms of the Guarantee

1 Definitions

In this schedule, "you" and "your" refer to each of you (which includes any company which accedes to this deed under clause 19 (with effect from the time of its accession) in your character as a guarantor of the others of you under the guarantee contained in clause 2 1 2, "guarantee" refers to that guarantee and "Principal" describes each of you insofar as you are or may become liable to us for any indebtedness otherwise than as a guarantor of the others of you under the guarantee

2 Your right to crystallise your liability under the guarantee

2 1 Any of you (a "crystallising guarantor") may crystallise (but for the future only) your liability under the guarantee following your giving notice in writing to us of your intention to do so, which notice will expire at midnight on the day three months after receipt of that notice by us or at another time specifically agreed in writing between you and us (the intervening period constituting the "Notice Period"). During the Notice Period we may continue to give credit and may make further advances to any Principal and the guarantee will apply to all such credit and advances. The guarantee will continue to be enforceable against the crystallising guarantor but its liability under the guarantee will, unless the guarantee becomes enforceable during the Notice Period, be crystallised (except as regards unascertained or contingent liabilities) at the end of the Notice Period and recoverability against it of the indebtedness of each Principal will be limited to the amount of that indebtedness at that time together with interest on that amount and our costs and charges relating to it (and interest on them)

2 2 If any of you gives notice in accordance with paragraph 2 1, we may break such accounts of all or any of you with us as we deem appropriate and open new accounts for the account-holders affected

2 3 The guarantee shall be incapable of termination except insofar as expressly permitted by paragraph 2 1.

3 Suspense account

We may at any time (without prejudice to our other rights) place and keep for such time as we may think prudent any money received, recovered or realised under or by virtue of the guarantee on a separate or suspense account to the credit of either us or any of you (as we think fit), without any intermediate obligation on our part to apply it or any part of it in or towards discharge of the indebtedness of any Principal. However, we will not seek to recover from you any interest on that indebtedness to the extent that interest would not have been payable if that money had been applied to that indebtedness on its receipt by us

4 Preservation of our rights

4 1 The guarantee is to be in addition to and is not to prejudice or be prejudiced by any other guarantee or security (including any other guarantee signed by any of you) which we may hold now or in the future from or in respect of any Principal. Each of you will remain liable under the guarantee whether or not any other guarantee or security is valid and enforceable or continues in force. The guarantee may be enforced without our first making demand on any Principal or taking any steps or proceedings against any Principal or having recourse to any other guarantee or security, and notwithstanding any prior demand.

4 2 If the guarantee ceases for any reason to be binding on any of you as a continuing security in relation to any Principal, then we may break any account of the Principal and open a new account for it. If that is done, no money then or subsequently credited to any new account shall have the effect of reducing the amount due to us on the original account. If that is not done, we shall still be treated as if we had done so at the time of the cessation and as if all payments then or subsequently made by or on behalf of the relevant Principal to us had been credited to a new account with the same result

4 3 None of you shall have any right to and you shall not

- a) make any claim (whether by way of proof in insolvency or otherwise) against any Principal or any property of any Principal,
- b) participate in any security held or money received by us on account of the Indebtedness of any Principal, or
- c) stand in our place in respect of any of that security or money;

until all Indebtedness of each Principal has been repaid in full.

- 4 4 We may at any time (without affecting our rights under the guarantee) grant, extend, increase, renew, vary, determine or refuse any credit or facility to any Principal, or take, hold, exchange, vary, release, or abstain from perfecting or enforcing any guarantee or security held by us for the Indebtedness of any Principal, or compromise with or extend time or grant waivers, releases or any indulgence to any Principal or any co-surety, or make any arrangement, concession or settlement with any of them or do or omit or neglect to do anything whatever which, but for this provision, might exonerate or discharge the obligations of any of you under the guarantee (except for a specific written release given by us of those obligations)
- 4 5 After the guarantee becomes enforceable, no payment received by us from any source (except payment from a Principal specifically in respect of its Indebtedness in that capacity) will be treated (regardless of the manner in which we may deal with it in our books or otherwise) as reducing the liability of any of you to us under the guarantee, so that, until we have received payment in full of that Indebtedness, it will be deemed, as between us and each of you (and except for any such payment from the relevant Principal), to remain wholly unsatisfied
- 4 6 The winding-up or dissolution of any Principal will not affect the liability of any of you under the guarantee and any sum payable to us at the date of the commencement of the winding-up or immediately prior to the dissolution (as the case may be) will be treated as continuing payable until actually paid in full

5 Adjustments

- 5 1 If the state of account between us and any Principal, by reference to which any Indebtedness is calculated for the purposes of the guarantee, requires adjustment at any time because of any insolvency law or because of any claim made against us by any office-holder (within the meaning of Section 234 of the Insolvency Act 1986) or any person performing a substantially similar function in any insolvency proceedings outside England and Wales, then, notwithstanding any other provision of the guarantee
 - a) the liability of each of you to us will be increased by any amount which we are required to pay or account for as a result of such adjustment, and
 - b) we may treat any release or settlement made by us with any of you before any such adjustment is required as being of no effect and may recover from any of you the amount of any such adjustment
- 5 2 If we are required because of any insolvency law to pay to any office-holder a sum of money referable to an amount paid to a third party out of any account of any Principal with us, the amount of that repayment shall be treated as and form part of the Indebtedness of the Principal for the purposes of the guarantee
- 5 3 If any claim is made against us under any insolvency law, we may agree the claim or settle it on any terms that we choose without asking for the agreement of any of you. If we do agree or settle the claim, each of you will be liable under the guarantee as if a court order had been made containing the terms that we have agreed. Each of you will be jointly and severally responsible to pay on demand to us all costs and expenses that we properly incur in defending that claim
- 5 4 We may keep any security for any Indebtedness in order to protect us against any possible claim under insolvency law for up to three years after all Indebtedness of each Principal has been satisfied. If a

claim is made against us within that period, we may keep the security until that claim has finally been dealt with

6 Your liability as principal debtor

If any question shall arise as to the capacity of any Principal in relation to any dealing between it and us or as to the capacity, authority or power of any officer, employee or agent of any Principal to bind it to any transaction with us or as to whether any item recorded in our books or otherwise as constituting Indebtedness of any Principal is immediately due and payable, that question shall, as between us and each of you, be disregarded and each of you will for the purposes of the guarantee be and continue to be liable to us in respect of the relevant dealing, transaction and/or Indebtedness as if you were a principal debtor

7 Evidence of Indebtedness

Any admission or acknowledgement in writing by or on behalf of any Principal as to any amount of its Indebtedness or otherwise, or any judgment or award obtained by us against any Principal, or any proof by us in winding-up which is admitted, or any statement of account furnished by us (the correctness of which is certified by any of our officers or managers), will be conclusive and binding on each of you, except in the case of manifest error

8 Payments

8.1 All payments falling to be made by each of you under the guarantee will be made to us without any set-off or counterclaim and free from any deduction or withholding for or on account of any taxes or other charges in the nature of taxes imposed by any competent authority anywhere in the world, unless such deduction or withholding is required by law or practice.

8.2 If any such deduction or withholding is so required to be made by or on behalf of any of you, you will pay to us any additional amount necessary to ensure that we receive and retain the full amount of the relevant payment as if that deduction or withholding had not been made

9 Change in composition of the parties

The guarantee shall remain effective notwithstanding any change in the composition of the parties to the guarantee

10 Financial assistance

Notwithstanding any other provision of this deed, the guarantee shall not operate to guarantee any money or liability if and insofar and for so long as it would not be lawful under Part 18, Chapter 2, of the Companies Act 2006 (prohibition of financial assistance by a company for the acquisition of its own shares) for the relevant money or liability to be guaranteed under this guarantee by the relevant guarantor
