REPORT OF THE DIRECTORS

The Directors present their report with the financial statements of the company for the year ended 31 December 2005

PRINCIPAL ACTIVITY – The principal activity of the company during the year under review was that of Property Management and Rentals.

STATEMENT OF DIRECTORS RESPONSIBILITIES – Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the Directors have taken advantage of special exemptions applicable to small companies conferred by Parts I and II of Schedule 8 to the Companies Act 1985.
