##### **BASIS OF PRESENTATION**

These financial statements have been prepared in accordance with UK-adopted International Accounting Standards ('IFRS').

As the Company has ceased participation in Lloyd's syndicates and the intention of management is not to recommence any such activity, or any other trading activity, in the foreseeable future, the financial statements have not been prepared on a going concern basis. However, at 31 December 2022, all remaining assets are either fully recoverable or supported by the ultimate parent company and therefore there has been no impact of this change on the valuation of the Company's statement of financial position. This change is purely presentational to meet the requirements of IAS 1 and does not represent any uncertainty in the Company's ability to meet its remaining obligations as they fall due. This accounting treatment has been consistently applied to all years presented. The financial statements are presented in sterling, which is the Company's presentation and functional currency. The Company has not used any significant estimates or judgements in preparing the financial statements in conformity with IFRS.

##### **SIGNIFICANT ACCOUNTING POLICIES**

###### **Share capital**

Shares are classified as equity when there is no obligation to transfer cash or other assets.

##### **CHANGES IN ACCOUNTING POLICIES**

As the Company is dormant, there are no changes to accounting standards that are expected to have an effect on the financial statements. This applies both to changes in IFRSs effective in the current year, and those issued but not yet effective.

##### **Future transition to UK GAAP**

The ultimate parent, Liverpool Victoria Financial Services Limited, intends to transition to UK GAAP with effect from 1 January 2023. Accordingly the Board of the Company has concluded that it is appropriate for the Company to also transition to UK GAAP in order to ensure consistency of accounting policies with the ultimate parent. The necessary restatements and reconciliations from IFRS to UK GAAP will be included in the Company's 2023 financial statements where applicable.
