NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

1. Basis of preparation

The financial statements have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

The financial statements have been prepared on the going concern basis, under the historical cost convention and in accordance with applicable UK law and accounting standards (UK GAAP). The Company is wholly-owned by a member of The Hanover Insurance Group, Inc. (THG), a company incorporated and registered in the United States of America (Note 5), and is included in the consolidated financial statements of THG, which are publicly available. Consequently, the Company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS 102 and the exemption from the obligation to prepare and deliver group accounts under section 401 of the Companies Act 2006.

The financial statements present information about the individual entity and not as a group. The Company is also exempt under the terms of FRS 102 from disclosing related-party transactions with the ultimate parent company or any of its wholly owned subsidiaries.

2. Directors' emoluments and staff costs

No Directors received any emoluments for their qualifying services to the Company during the year ended 31 December 2016 (2015: £nil).

There were no staff costs incurred by the Company during the year ended 31 December 2016 (2015: £nil). The Company has no employees (2015: nil).

3. Called up share capital

	2016 £	2015 £
Allotted and fully paid:		
2 ordinary shares of £1 each	<u>2</u>	<u>2</u>

4. Contingent liabilities

Where the Company reduces its participation on a syndicate it pays a reinsurance to close premium to other Lloyd's Names to assume its ongoing liabilities. The nature of this arrangement is that of reinsurance such that the Company retains liability in the event of failure of these Lloyd's Names and the Lloyd's chain of security. There is no mechanism for the Company to quantify its exposure in this regard and the Directors consider that the possibility of having to assume these liabilities is remote.

5. Ultimate parent company

The largest and smallest group of undertakings for which group accounts are prepared, and in which the results of the Company is included, is The Hanover Insurance Group, Inc. A copy of the most recent consolidated accounts is available from the website of The Hanover Insurance Group, Inc. (www.hanover.com).
