NOTES TO THE FINANCIAL STATEMENTS AT 30 JUNE 2018NOTE 1 ACCOUNTING POLICIESGeneral information and basis of preparation

Ethno Botanical Resources Limited is a private company limited by shares incorporated in England and Wales within the United Kingdom. The address of the registered office is given in the company information page of these financial statements.

The financial statements are presented in sterling which is the functional currency of the company and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

The financial statements have been prepared in accordance with Section 1A of Financial Reporting Standard 102, section 1A small entities.

Turnover and other income

Turnover is measured at the fair value of the consideration received or receivable net of VAT and trade discounts.

Revenue from a contract to provide services is recognised in the period in which the services are provided in accordance with the stage of completion of the contract.

Tangible Fixed Assets

Tangible fixed assets are stated at cost or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, except land, at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life as follows:-

Furniture office equipment and fittings	15% reducing balance basis
Plant and equipment	15% reducing balance basis

Intangible fixed assets

Depreciation is provided at the following annual rate in order to write off each intangible asset over its expected useful life:

Patents	10% straight line basis
---------	-------------------------

Research and development

Expenditure on research and development is written off in the period in which it is incurred.

Stock

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing stock to its present location and condition. Provision is made for damaged, obsolete and slow moving stock where appropriate.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

NOTES TO THE FINANCIAL STATEMENTS AT 30 JUNE 2018Current and deferred tax

The tax expense for the year comprises current and deferred tax. Tax is recognised in the profit and loss account, except that a change attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

Deferred tax balances are recognised in respect of timing differences that have originated but not reversed by the balance sheet date.

Current and deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.
