I enclose for your information an annual progress report for the period 1 July 2014 to 30 June 2015 in accordance with Section 104A of the Insolvency Act 1986 and Rule 4 49C of the Insolvency Rules 1986.

I also enclose a Receipts and Payments account showing a balance in hand of £64,598 40 for your information

Progress of the Liquidation

Receipts

Property at Unit 11C, Brindley Road, Reginald Road Industrial Estate ("the Property")

A sale of the Property completed on 13 June 2014. The sale proceeds totalling £171,250 have been received in full in the period of this report

Equipment, Motor Vehicles, Stock, Goodwill, Intellectual property and Business Information

The business and assets of the Company were sold to Datum Construction and Maintenance Limited on 16 July 2013 for a total consideration of £44,000

At the date of the move from Administration to Creditors Voluntary Liquidation ("CVL") the deferred consideration of £10,000 remained outstanding. At this point, the Joint Administrators had instructed solicitors to commence recovery proceedings

I can confirm that the deferred consideration of £10,000 has now been received in full

Book Debts, Work In Progress ("WIP") and Applications

The book debts, WIP and applications previously collected and held by Datum Construction and Maintenance Limited totalling £3,378 have now been received in full

There have been further applications collected totalling £2,360 in the period of this report

Licence to Occupy

The outstanding rent due from Datum Construction and Maintenance Limited under the Licence to Occupy has been received in full Rent totalling £7,952 has been received in the period of this report

Payments

Natwest Bank Plc

A distribution totalling £113,416.85 has been made to Natwest Bank Plc under the terms of its fixed charge security. This distribution has discharged Natwest Bank Plc's lending in full

Datum Construction and Maintenance Limited

In the period of the Joint Administrators' trade, materials had to be purchased to allow the completion of WIP. It was agreed that Datum Construction and Maintenance Limited would meet the costs of those purchases, which they would then be allowed to retain from the collection of book debts

In the period of this report, Datum Construction and Maintenance Limited have been allowed to retain funds totalling £10,399 in respect of materials purchased

Datum Construction and Maintenance Limited have also retained commission of £1,966 in respect of the collection of book debts, WIP and applications in the period of this report.

Shoosmiths LLP

Shoosmiths LLP have been paid £3,312 in respect of the legal costs incurred in pursuing the outstanding balances, as well as the sale of the Property

Insurance

A payment totalling £5,881 has been made to JLT Speciality Limited, the Joint Administrators' insurers, in respect of the insurance of assets, the insurance required in the period of the Joint Administrators' trade and the insurance of the Property.

Assets

Book Debts

The Company's remaining book debts total £14,660 However, £13,246 of this amount relates to invoices from 2011 and 2012 that were in dispute prior to the Joint Administrators' appointment. This disputed balance comprises of 11 invoices from 2 companies. It is understood that negotiations in respect of these invoices has been protracted. It is therefore considered that the

costs of pursuing these invoices further would in all likelihood negate any realisation, consequently these invoices will be written off.

The balance totalling £1,414 relates to five separate invoices from three separate companies. It is again considered that the costs of pursuing these invoices will negate any realisation and these invoices will also be written off

Director's Loan Account

The Company's last filed accounts for the year ended 30 April 2012 detail loans due from the Company directors totalling £42,535.

The directors have been pursued for these amounts. However, the directors have recently provided evidence of funds that were introduced to the Company, by them personally, that is in excess of the outstanding directors' loan accounts.

The Joint Liquidators are currently liaising with the Company's former accountants to confirm the treatment of the funds introduced to allow them to confirm the position

Future Prospects

It is anticipated that there will sufficient funds to make a distribution to the unsecured creditors, however, the level of distribution will be dependent on the outcome of the investigations in respect of the directors' loan account. On confirmation of the position, or receipt of payment, a distribution will be made to the unsecured creditors

Liquidators' Remuneration

At a meeting of creditors held by correspondence on 13 September 2013, creditors approved the Joint Administrators' remuneration being calculated on a time costs basis by reference to BDO LLP's normal rates for time spent by them and their staff attending to matters arising in the Administration

The Joint Liquidators' remuneration will also be calculated on a time costs basis, the approval of which will be carried forward from the Administration in accordance with section 5A of Rule 4 127 of The Insolvency Rules 1986.

The Joint Liquidators' time costs incurred in the period of this report, 1 July 2014 to 30 June 2015, amount to £12,679 and represent 62 hours at an average rate of £204 per hour.

Fees totalling £5,500 have been drawn in respect of the Joint Liquidators' time costs incurred

The Joint Administrators final time costs totalling £12,733 have also been paid in the period of this report

A detailed analysis of the time costs incurred is enclosed and the charge out rates for the period are summarised as follows

Staff grade	Average rate
3	(£ per hour)
Partner / Director	484 - 335
Senior Manager / Manager	310 - 213
Assistance Manager / Senior Administrator	181 - 139
Administrator / Support Staff	88 - 88

These amounts are derived from BDO LLP's normal rates for time properly spent by the Joint Liquidators and their staff in attending to matters arising in the liquidation.

Where members of staff have been employed on this case they have been so based on their experience and abilities in dealing with a case of this nature. Where appropriate certain staff have dealt with a specific area of the liquidation due to their specialist skills in that area

BDO LLP's rates may increase from time to time over the period of an assignment

All staff who have worked on this matter, including cashiers and secretarial staff, have charged time directly to the assignment and are included in the enclosed analysis. The cost of staff employed in central administration functions is not charged directly to the assignment but is reflected in the general level of charge out rates.

Disbursements incurred by the Joint Liquidators in the period of this report total £52.50 which are detailed below

Disbursement	Category 1 £	Category 2 £
Specific Bond	52.50	-
Total	52.50	-
