NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 MARCH 2014

1. ACCOUNTING POLICIES

Basis of preparation of financial statements

These financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the value of sales, work done and services provided, excluding VAT.

Tangible fixed assets

Tangible fixed assets are stated at cost, less depreciation.

Depreciation has been provided on a straight line basis at the following annual rates (with a proportional charge in the year of acquisition) in order to write off the cost of tangible fixed assets, less their estimated residual values, over their estimated useful economic lives.

Plant and machinery	25%
Office equipment	25%
Motor vehicles	25%

Leased assets

Assets obtained under hire purchase contracts are capitalised at their fair value on acquisition and depreciated over their estimated useful economic lives. Obligations under such agreements are included in creditors net of finance charges allocated to future periods. The finance element of the rental payments is charged to the profit and loss account over the period of hire purchase contracts in proportion to the capital amount outstanding.

Rentals payable under operating leases are charged on a straight-line basis over the term of the lease.

Stocks

Stocks are stated at the lower of cost and net realisable value.

Deferred taxation

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Deferred tax is measured at tax rates that are expected to apply in the periods in which the timing differences are expected to reverse.

Pension costs

The company operates a defined contribution pension scheme. The contributions to the scheme are charged to the profit and loss account as they are incurred.
