# Strategic report for the year ended 31 March 2023

The directors present their strategic report for the year ended 31 March 2023.

#### Principal activities

The principal activities of the company are the manufacturing and supply of soft gelatine encapsulation products and the provision of precision engineering services.

#### Review of business

The profit and loss account for the year is set out on page 11. Turnover decreased to just under £45.4m (2022: £53.3m) and with a (loss) before tax of (£2.1m) (2022: profit of £2.4m). At the end of the year the company had net assets of £16.2m (2022: £18.1m)

Given the straightforward nature of the business, the company's directors are of the opinion that analysis using KPIs other than those disclosed above is not necessary for an understanding of the development, performance or position of the business.

The poorer performance during the year ended 31 March 2023 was primarily due to lower levels of demand from key Customers. The levels of demand improved towards the final quarter of the year and the directors consider the company to be well placed to take advantage of any opportunities that may arise.

#### Sustainability

The directors are committed to ensuring the health, safety and welfare of the company's employees and to conducting its business in a way that creates social, environmental and economic value to all of its stakeholders. The directors have taken steps to ensure that the company's statutory duties are met at all times and they have identified a number of key metrics such as reportable accidents, lost time injury frequency and severity rate and CO2 emissions intensity with appropriate targets for improvement for those metrics to ensure that the company's activities meet its sustainability objectives.

### Financial position

The directors have reviewed the adequacy of the funding available to the company to meet its operational requirements for the foreseeable future and have concluded that it is appropriate to prepare these financial statements on the going concern basis.

### Principal risks and uncertainties

The management of the business and execution of strategy are subject to a number of risks. Key business risks principally relate to market competition, both from a national and international perspective. Business risks are reviewed regularly by the directors and appropriate processes are put in place to monitor and mitigate their impact.

On behalf of the Board

K Orme Director 27th June 2023

# Directors' report for the year ended 31 March 2023

The directors present their report and the audited financial statements for the year ended 31 March 2023.

#### Future developments

The directors carry out a strategic review of the business on an annual basis and consider that it is well positioned to take advantage of business opportunities as they arise.

#### Dividends and transfers to reserves

A dividend of £nil (2022: £nil) was paid during the year. The loss for the financial year of (£1,919k) (2022: profit of £1,411k) will be transferred to reserves.

#### **Directors**

The directors of the company who were in office during the year and up to the date of signing the financial statements are listed below.

#### **Directors**

S C O'Connor

D K Niece

C Costigan

R McEvoy B S C Tomlin

K Orme

Each director has been a director for the whole of the year ended 31 March 2023 unless otherwise noted.

### Financial risk management

The company's operations expose it to a variety of financial risks that include the effect of changes in market prices, credit risk, liquidity risk and interest rate cash flow risk. The company has in place a risk management programme that seeks to limit the adverse effects of debt finance and the related finance costs on the performance of the company.

Given the size of the company, the directors have not delegated the responsibility of monitoring financial risk management to a sub-committee of the board. The policy set by the board of directors is implemented by the company's finance department.

### Price risk

The company is not exposed to any significant commodity price risk.

### Credit risk

The company has implemented policies that require appropriate credit checks on potential customers before sales are made. The amount of exposure of any individual counterparty is subject to a limit which is assessed regularly by the board.

# Directors' report for the year ended 31 March 2023 (continued)

### Liquidity, interest rate cash flow risk

The company is funded through inter-company debt. Interest rate risk, liquidity risk and the interest rate cash flow risk is managed by the DCC PIc (the ultimate holding company) board.

#### Political contributions

The company did not make any political contributions or incur any political expenditure during the year or preceding period (2022; £Nil)

### **Auditor**

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG will therefore continue in office.

#### Statement on disclosure of information to auditors

The directors believe that they have taken all steps necessary to make themselves aware of any relevant audit information and have established that the Company's statutory auditor is aware of that information. In so far as they are aware, there is no relevant audit information of which the Company's statutory auditor is unaware.

### Subsequent events

The directors confirm to the best of their knowledge that there were no subsequent events after the year end that would materially affect the financial statements.

On behalf of the board

K Orme Director 27th June 2023

# Statement of directors' responsibilities in respect of the strategic report, the directors' report and the financial statements for the year ended March 2023

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its profit or loss for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal controls as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

On behalf of the board

K Orme Director 27th June 2023

Audit 1 Stokes Place St. Stephen's Green Dublin 2 D02 DE03 Ireland

### **EuroCaps Limited**

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EUROCAPS LIMITED

### Report on the audit of the financial statements

### **Opinion**

We have audited the financial statements of EuroCaps Limited ('the Company') for the year ended 31 March 2023 set out on pages 11 to 24, which comprise the profit and loss account and other comprehensive income, the balance sheet, the statement of changes in equity and related notes, including the summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is UK Law and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

### In our opinion:

- the financial statements give a true and fair view of the state of the Company's affairs as at 31 March 2023 and of its loss for the year then ended;
- the financial statements have been properly prepared in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- the financial statements have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in the UK, including the Financial Reporting Council (FRC)'s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EUROCAPS LIMITED (continued)

### Report on the audit of the financial statements (continued)

#### Conclusions relating to going concern (continued)

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the Company will continue in operation.

### **Detecting irregularities including fraud**

We identified the areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements and risks of material misstatement due to fraud, using our understanding of the entity's industry, regulatory environment and other external factors and inquiry with the directors. In addition, our risk assessment procedures included: inquiring with the directors as to the Company's policies and procedures regarding compliance with laws and regulations and prevention and detection of fraud; inquiring whether the directors have knowledge of any actual or suspected non-compliance with laws or regulations or alleged fraud; inspecting the Company's regulatory and legal correspondence; and reading Board minutes.

We discussed identified laws and regulations, fraud risk factors and the need to remain alert among the audit team.

The Company is subject to laws and regulations that directly affect the financial statements including companies and financial reporting legislation. We assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items, including assessing the financial statement disclosures and agreeing them to supporting documentation when necessary.

The Company is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect: health and safety, anti-bribery, employment law and environmental law.

Auditing standards limit the required audit procedures to identify non-compliance with these non-direct laws and regulations to inquiry of the directors and other management and inspection of regulatory and legal correspondence, if any. These limited procedures did not identify actual or suspected non-compliance.

We assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. As required by auditing standards, we performed procedures to address the risk of management override of controls. On this audit we do not believe there is a fraud risk related to revenue recognition. We did not identify any additional fraud risks.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EUROCAPS LIMITED (continued)

### Report on the audit of the financial statements (continued)

### Detecting irregularities including fraud (continued)

In response to risk of fraud, we also performed procedures including: identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation; evaluating the business purpose of significant unusual transactions; assessing significant accounting estimates for bias; and assessing the disclosures in the financial statements.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remains a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

### Other information

The directors are responsible for the other information presented in the Annual Report together with the financial statements. The other information comprises the information included in the strategic report and the directors' report. The financial statements and our auditor's report thereon do not comprise part of the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work we have not identified material misstatements in the other information.

### Opinions on other matters prescribed by the Companies Act 2006

Based solely on our work on the other information undertaken during the course of the audit:

- · we have not identified material misstatements in the directors' report or the strategic report;
- in our opinion, the information given in the directors' report and the strategic report is consistent with the financial statements;
- in our opinion, the directors' report and the strategic report have been prepared in accordance with the Companies Act 2006.

### Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EUROCAPS LIMITED (continued)

### Respective responsibilities and restrictions on use

### Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on page 6, the directors are responsible for: the preparation of the financial statements including being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud, other irregularities or error, and to issue an opinion in an auditor's report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud, other irregularities or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

### The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Sarah-Jayne Naughton

## Notes to the financial statements for the year ended 31 March 2023

### 1. Accounting policies

EuroCaps Limited (the "Company") is a company limited by shares and incorporated and domiciled in the United Kingdom. The registered number of the company is 2878879 and the registered address is Crown Business Park, Dukestown, Tredegar, Gwent, NP22 4EF.

These financial statements were prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard* applicable in the UK and Republic of Ireland ("FRS 102"). The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

The Company's ultimate parent undertaking, DCC plc, includes the Company in its consolidated financial statements. The consolidated financial statements of DCC plc are prepared in accordance with International Financial Reporting Standards as adopted by the EU and are available to the public and may be obtained from DCC House, Leopardstown Road, Foxrock, Dublin 18, Ireland. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to the end of the period;
- A Cash Flow Statement and related notes; and
- Disclosures in respect of the compensation of Key Management Personnel.

As the consolidated financial statements of DCC plc include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

 The disclosures required by FRS 102.11 Basic Financial Instruments and FRS 102.12 Other Financial Instrument Issues in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

### Measurement convention

The financial statements are prepared on the historical cost basis.

### Going concern

The company's business activities, together with the factors likely to affect its future development and position, are set out in the Strategic Report on page 3. The company is expected to continue to generate positive cash flows on its own account for the foreseeable future. The company participates in DCC Plc's centralised treasury arrangements and so shares banking arrangements with its parent and fellow subsidiaries.

The directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of DCC Plc to continue as a going concern or its ability to continue with the current banking arrangements.

# Notes to the financial statements for the year ended 31 March 2023 (continued)

### Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Where parts of an item of tangible fixed assets have different useful lives, they are accounted for as separate items of tangible fixed assets, for example land is treated separately from buildings.

The company assesses at each reporting date whether tangible fixed assets are impaired. Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a straight line basis over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are:

Depreciation is charged to the profit and loss account on a straight-line basis over the estimated useful lives of each part of an item of tangible fixed assets. Land is not depreciated. The depreciation rates are as follows:

	%
Freehold buildings	2.5
Building Improvements	6 - 15
Plant and machinery	5 - 30
Fixtures and fittings	14 - 20

Depreciation methods, useful lives and residual values are reviewed if there is an indication of a significant change since last annual reporting date in the pattern by which the company expects to consume an asset's future economic benefits.

### Intangible fixed assets

#### Goodwill

Goodwill is stated at cost less any accumulated amortisation and accumulated impairment losses. Goodwill is allocated to cash-generating units or groups of cash-generating units that are expected to benefit from the synergies of the business combination from which it arose.

### Research and Development

Expenditure on research activities is recognised in the profit and loss account as an expense as incurred.

Expenditure on development activities may be capitalised if the product or process is technically and commercially feasible and the Company intends and has the technical ability and sufficient resources to complete development, future economic benefits are probable and if the Company can measure reliably the expenditure attributable to the intangible asset during its development. Development activities involve design for, construction or testing of the production of new or substantially improved products or processes. The expenditure capitalised includes the cost of materials and direct labour. Other development expenditure is recognised in the profit and loss account as an expense as incurred. Capitalised development expenditure is stated at cost less accumulated amortisation and less accumulated impairment losses.

# Notes to the financial statements for the year ended 31 March 2023 (continued)

### Intangible fixed assets (continued)

#### Amortisation

Amortisation is charged to the profit or loss on a straight-line basis over the estimated useful lives of intangible assets. Intangible assets are amortised from the date they are available for use. The amortisation rates used are as follows:

Development Costs

% 8*-*9

The basis for choosing this depreciation rate is the term of the relevant technology license agreement.

Goodwill is amortised on a straight line basis over its useful life. Goodwill has no residual value. The finite useful life of goodwill is estimated to be 5 years.

The company reviews the amortisation period and method when events and circumstances indicate that the useful life may have changed since the last reporting date. Goodwill and other intangible assets are tested for impairment in accordance with Section 27 Impairment of Assets when there is an indication that goodwill or an intangible asset may be impaired.

#### Non-derivative financial instruments

Non-derivative financial instruments comprise trade and other debtors, cash and cash equivalents and trade and other creditors.

Trade and other debtors

Trade and other debtors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses.

Trade and other creditors

Trade and other creditors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalents for the purpose only of the cash flow statement.

### Foreign currencies

Transactions in foreign currencies are translated into Sterling at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated into Sterling at the foreign exchange rate ruling at that date.

### **Operating leases**

Rentals due under operating leases are charged to the profit and loss account on a straight-line basis over the term of the lease.

# Notes to the financial statements for the year ended 31 March 2023 (continued)

#### Stocks and work in progress

Stocks and work in progress are stated at the lower of cost and net realisable value. Cost is determined on a first in first out basis and in the case of manufactured stocks and work in progress, cost includes an appropriate share of overheads based on normal operating capacity. Where necessary, provision is made for obsolete, slow moving and defective stocks.

#### Turnover

Turnover is recognised when goods are invoiced, which corresponds to the date that goods are despatched to customers.

Turnover, net of discounts, credit notes and value added tax, is the invoiced value of goods supplied.

#### **Taxation**

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

### **Pension costs**

Retirement benefits to employees are funded by the Company and employees. Defined contributions are made to individual pension funds which are financially separate from the Company and these are charged to the profit and loss account as incurred.

### **Provisions**

A provision is recognised when the Company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the amount required to settle the obligation at the reporting date.

Where the Company enters into financial guarantee contracts to guarantee the indebtedness of other companies within its group, the company treats the guarantee contract as a contingent liability until such time as it becomes probable that the company will be required to make a payment under the guarantee.

# Notes to the financial statements for the year ended 31 March 2023 (continued)

### 2. Turnover

The company's activities consist of the manufacturing and supply of soft gelatine encapsulation products and the provision of precision engineering services.

### 7. Tax on (loss)/profit on ordinary activities

, , , , , , , , , , , , , , , , , , , ,	2023 £'000	2022 £'000
Current tax:	2.000	£ 000
UK corporation tax on profits of the year	(326)	461
Adjustment in respect of previous years	53	(65)
Adjustificit in respect of previous years	33	(00)
Total current tax	(273)	396
Deferred tax:		
Origination and reversal of timing differences		
Excess of tax allowances over depreciation	106	449
Impact of change in rates	33	(3)
Adjustment in respect of previous years	(68)	166
Total deferred tax (note 14)	71	612
Tax on (loss)/profit on ordinary activities	(202)	1,008

The current tax charge for the year is higher (2022: higher), than the standard rate of corporation tax in the UK of 19% (2022: 19%). The differences are explained below:

	2023 £'000	2022 £'000
(Loss)/profit on ordinary activities before taxation	(2,121)	2,419
(Loss)/profit on ordinary activities multiplied by the standard rate he UK 9% (2022: 19%) Effects of:	(403)	460
- Expenses not deductible for tax purposes - Impact of changes in rates	182 -	148 -
Income not taxable	-	(10)
Tax rate change	33	303
Amortisation	-	6
Adjustments in respect of previous years	(14)	101
Current tax (income)/expense for the year	(202)	1,008

On the 3 March 2021 Budget it was announced that the UK tax rate will increase to 25% from 1 April 2023. This will have a consequential effect on the company's future tax charge and as such the deferred tax balances have been measured to a rate of 25% (2022: 25%).

#### 17. Operating Leases

Non-cancellable operating lease rentals are payable as follows:

	2023		2022	
	Land and buildings £'000	Other £'000	Land and buildings £'000	Other £'000
Within one year	126	76	2	56
Two to five years	503	80	-	36
Over five years	565	-		-
	1,194	156	2	92

#### 18. Related Parties

Eurocaps Limited is owned by DCC Healthcare UK Limited which is ultimately owned by DCC plc. Transactions of Eurocaps Limited with other wholly owned subsidiaries of DCC plc are not disclosed as the Company has taken advantage of the exemption available under FRS102 1.12 from disclosing such transactions.

### 19. Ultimate parent undertaking and controlling party

The Company is a subsidiary undertaking of DCC plc incorporated in Ireland. The ultimate controlling party is DCC plc, incorporated in Ireland.

The smallest and largest group in which the results of the Company are consolidated is that headed by DCC plc, incorporated in Ireland. The consolidated financial statements of DCC plc are available to the public and may be obtained from the Company Secretary, DCC House, Leopardstown Road, Foxrock, Dublin 18, Ireland.

#### 20. Accounting estimates and judgements

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date that may cause material adjustment to the carrying amounts of assets or liabilities within the next financial year.

Areas where accounting estimates have been applied in arriving at the carrying amounts of assets or liabilities are provisions for bad debts, provisions for credit notes, provisions for slow moving or obsolete stocks, the useful lives and residual values of tangible and intangible fixed assets and certain accruals.

The fair value of intangibles resulting from business combinations represent the excess of the purchase consideration over the fair values of the assets acquired.

### 21. Subsequent events note

There have been no subsequent events occurring after the balance sheet date which may affect either the Company's operations or results of those operations or the Company's state of affairs.
