# NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2001

#### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

#### 1.2 Turnover

Turnover represents amounts receivable for goods and services provided in the year net of VAT. Rental income from operating leases is recognised on a straight line basis over the period of the lease.

#### 1.3 Patents

Patents are valued at cost less accumulated amortisation. Amortisation is calculated to write off the cost in equal annual instalments over their estimated useful lives.

#### 1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Hire equipment 10% p.a of net book value Office equipment 15% p.a of net book value Motor vehicles 25% p.a of net book value

#### 1.5 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

#### 1.6 Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value.

#### 1.7 Pensions

The pension costs charged in the financial statements represent the contributions payable by the company during the year in accordance with SSAP 24.

#### 1.8 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.
