**Going concern**

The financial statements have been prepared on a going concern basis, which the Directors consider to be appropriate for the reasons set out below.

The Directors have prepared cash flow forecasts, which indicate that, taking account of reasonably possible downsides, including the potential impact of Covid-19 on the operations and its financial resources, the Company will have sufficient funds to meet its liabilities as they fall due for that period. In preparing these forecasts the Directors have taken into account the following key factors:

- the rate of growth of the UK and global economy;
- key client account renewals;
- the level of committed and variable costs.

The Company operates under Chime's banking facility. Chime has a committed facility of £237.3m (2020: £251.2m) with a syndicate of banks. £34.2m matures in August 2023 and £203.1m matures in August 2024. This facility is subject to banking covenants.
