## Directors' report

The directors present their annual report and the audited financial statements for the year ended 30 June 2006

#### Principal activities

The principal activity of the group is the provision of dismaniling, demolition, industrial services and land remediation

The profit for the year after taxation was £1,465,000(2005 £1,562,000)

#### **Business review**

The Directors are pleased to report a 13 0 % increase in turnover to £28,683,000. This continues the positive trend of previous years

Gross profit has been maintained at 30% with the increase in turnover generating significant additional contribution. However, in order to support this business growth there has been a substantial investment in resources, both technical personnel and equipment, resulting in an increase in administrative expenses. This increase in expenditure has offset the additional gross profit, resulting in operating profit which is similar to the previous year at £2,060,000.

In an increasingly competitive market the Company has continued to focus on providing innovative and engineered turnkey solutions, covering all aspects of decommissioning for Blue Chip clients. In order to maintain the current performance and financial success the Company is committed to delivering projects with the highest standard of quality, safety and environmental awareness. This is further enhanced by achieving certification to the internationally recognised standards of ISO 9001 2000, ISO 14001 2004 and OHSAS 18001 1999. These standards not only provide assurance to our clients of continuity of performance in all aspects of our activities, but also provide a framework for us to manage key business risks by identifying areas where competence, control or audit is required and which in turn enables us to review performance against these and other criteria.

The fluctuation in the price of scrap metal is a further risk to the business. This risk is managed by programming the various sections of work to maximise return in conjunction with daily tracking of prices via the London Metal Exchange. In addition, process equipment recovered during the decommissioning is sold as reusable kit rather than scrap, at greatly improved prices.

With significant new contracts already underway and a strong forward order book, the Directors anticipate a year of further progress, building on the profitability now well established

#### Post balance sheet events

The Group disposed of a property with a net book value of £1,007,000 for a consideration of £1,087,500

#### Proposed dividend

The directors do not recommend the payment of a dividend (2005 £nil)

#### Directors and directors' interests

The directors who held office during the year were as follows

Mr A O McGee
Mr R C M Rushforth
Mr T W Brankley
Mr A Fenwick
Mr A M Dale
Mr R Shaw
Mrs J Kirby
Mr R A Booth

## **Directors' report** (continued)

The directors who held office at the end of the financial year had the following interests in the ordinary shares of group companies according to the register of directors' interests

Ordinary shares of £1 each

| At      | At     |
|---------|--------|
| 30 June | 1 July |
| 2006    | 2005   |
|         |        |
| 90      | 90     |

Mr A O McGee

#### **Employees**

None of the other directors who held office at the end of the financial year had any disclosable interest in shares of group companies

#### Political and charitable contributions

The group made no political contributions during the year Donations to UK charities amounted to £8,330 (2005 £3,866)

#### Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware, and each director has taken all the steps that he/ she ought to have taken as a director to make himself/ herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information

#### **Auditors**

In accordance with section 384 of the Companies Act 1985, a resolution for the re-appointment of KPMG LLP as auditors of the company is to be proposed at the forthcoming Annual General Meeting

By order of the board

Mrs J Kirby
Director

Loxley Manor Loxley Road Sheffield S6 6RW

April 2007

# Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

The group and parent company financial statements are required by law to give a true and fair view of the state of affairs of the group and the parent company and of the profit or loss for that period

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group and the parent company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the parent company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the group and to prevent and detect fraud and other irregularities.

### Independent auditors' report to the members of Euro Dismantling Services Limited

We have audited the group and parent company financial statements (the "financial statements") of Euro Dismantling Services Limited for the year ended 30 June 2006 which comprise the Consolidated Profit and Loss Account, the Consolidated and Company Balance Sheets, the Consolidated Cash Flow Statement, the Reconciliations of Movements in Shareholders' Funds and the related notes. These financial statements have been prepared under the accounting policies set out therein

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

#### Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Directors' Report and the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities on page 4

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it

#### Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the group's and company's circumstances, consistently applied and adequately disclosed

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

# **Independent auditors' report to the members of Euro Dismantling Services Limited** (continued)

#### Opinion

In our opinion

- the financial statements give a true and fair view, in accordance with UK Generally Accepted Accounting Practice, of the state of the group's and the parent company's affairs as at 30 June 2006 and of the group's profit for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the Directors' Report is consistent with the financial statements

#### Notes

(forming part of the financial statements)

#### 1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the group's financial statements

In these financial statements the following new standards have been adopted for the first time

- FRS 21 'Events after the balance sheet date',
- the presentation requirements of FRS 25 'Financial instruments' presentation and disclosure', and
- FRS 28 'Corresponding amounts'

These standards have no material effect on the financial statements

#### Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules

#### Basis of consolidation

The consolidated financial statements include the financial statements of the company and its subsidiary undertakings made up to 30 June 2006. The acquisition method of accounting has been adopted. Under this method, the results of subsidiary undertakings acquired or disposed of in the year are included in the consolidated profit and loss account from the date of acquisition or up to the date of disposal.

Under section 230 (4) of the Companies Act 1985 the company is exempt from the requirements to present its own profit and loss account

#### **Turnover**

Turnover is the total amount receivable by the company for goods supplied and services provided, excluding VAT and trade discounts. Turnover is recognised in the period in which goods are supplied, services provided and contract work is performed.

#### Investments

Investments are included at cost less any provision for diminution in value

#### Tangible fixed assets and depreciation

Depreciation is provided to write off the cost less the estimate residual value, of tangible fixed assets by equal instalments over their estimated useful economic lives as follows

Freehold buildings

10% straight line

Leasehold building improvements

10% straight line

Plant & machinery

20% reducing balance

Fixtures, fittings & equipment

10% reducing balance/25% straight line

Motor vehicles

25% reducing balance

No depreciation is provided on freehold land

#### Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

#### Work in progress

Work in progress represents costs incurred before the year end which had not been invoiced as at the year end

#### 1 Accounting policies (continued)

#### Leases

Assets acquired under finance leases are capitalised and the outstanding future lease obligations are shown in creditors. Operating lease rentals are charged to the profit and loss account on a straight line basis over the period of the lease.

#### Post retirement benefits

The group operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the group in an independently administered fund. The amount changed to the profit and loss account represents the contributions payable to the scheme in respect of the accounting period.

#### Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction Monetary assets and liabilities denominated in foreign currencies are translated using the contracted rate or the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account

#### Employee benefit trust

Assets held by the company's Employment Benefit Trust (EBT) are included in the group's balance sheet as current asset investments, subject to any provision for diminution in value, until they are unconditionally distributed to beneficiaries at the unfettered discretion of the trustees of the EBT

#### **Taxation**

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19

#### Cash and liquid resources

Cash, for the purpose of the cash flow statement, comprises cash in hand and deposits repayable on demand, less overdrafts payable on demand. Liquid resources are current asset investments which are disposable without curtailing or disrupting the business and are either readily convertible into known amounts of cash at or close to their carrying values or traded in an active market. Liquid resources comprise term deposits of less than one year (other than cash), government securities and investments in money market managed funds

### 2 Segmental information

The turnover and profit before tax are attributable to the one principal activity of the group An analysis of turnover is given below

| An analysis of turnover is given below                                 |             |              |
