Notes to the abbreviated accounts for the year ended 31st May 2011

1 Accounting Policies

Basis of accounting

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Cashflow

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement (under Financial Reporting Standard 1 Cash flow statements/Financial Reporting standard for smaller Entities (effective April 2008))

Turnover

Turnover represents net invoiced sales of goods and services, excluding VAT

Tangible fixed assets

Tangible fixed assets are stated at cost or valuation less depreciation

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life

Computer Equipment 33 1/3 % on written down value Other Equipment 10% on written down value

Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow-moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred taxation

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included into the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset

Deferred tax assets and liabilities are not discounted
