The Trustee shall maintain the Company's statutory records which shall be prima facie evidence of the matters contained therein.

- (b) Every Member shall be entitled to request in writing addressed to the Management Company an extract of the records showing the Points Rights and Points Holding of that Member and that Member's indebtedness to the Company and/or the Management Company as at the date of the extract. Each such request shall specify the desired date of the extract and shall be in such form as the Management Company or the Trustee shall from time to time prescribe and shall be accompanied by such reasonable fee as may from time to time be prescribed by the Management Company or the Trustee for providing the extract. The Management Company shall, as soon as practicable after receipt of such a request and fee, provide the required extract to the Member.

12. MEMBERS REPORTS

The Company shall procure that not later than 1st October each Year the Management Company shall prepare and issue to each Member a Member's Report which shall include the following information and such other information as the Management Company shall from time to time consider to be appropriate;

13. MANAGEMENT CHARGE

- (a) The Company shall procure that, prior to 1st August each year the Management Company shall prepare a budget showing the projected Aggregate Management Costs and the projected Club Suite Service Charge for the succeeding Use Year and the proposed Management Charge to be paid by the Members for that succeeding Use Year. Such budget shall be prepared in accordance with the provisions of the Management Agreement under which the Management Company was appointed.
- (b) The projected Aggregate Management Costs and the projected Club Suite Service Charge and the proposed Management Charge contained in the budget shall not be binding until approved by the Board. In the event of the Board failing to approve the projected Aggregate Management Costs and the projected Club Suite Service Charge and proposed Management Charge prior to 1st September in any year the matter shall be referred to the Company's auditors who shall determine whether or not the budget has been prepared in accordance with the Management Agreement under which the Management Company was appointed and whether or not the costs itemised in the budget are reasonable and the Auditor's final determination of the budget shall be binding on the Board and the Management Company. Once approved Members shall be invoiced for the annual management charge by 1st October in each year.
- (c) The Company shall procure that as soon as practicable after 1st January each year the amount of the Aggregate Management Costs and Club Suite Service Charge for the preceding Use Year shall be ascertained. The difference between the Management Charge already paid (or payable) by Members in respect of Standard Points Rights for that preceding year and the Aggregate Management Costs (plus any Remuneration Percentage) for that preceding year shall be added to or deducted from (as appropriate) the Management Charge payable by Members in respect of Standard Points Rights for the next following Use Year. The difference between the Management Charge already paid (or payable) by Members in respect of Club Suite Points Rights for that preceding year and the Club Suite Service Charge (plus any Remuneration Percentage) for that preceding year shall be added to or deducted from (as appropriate) the Management Charge payable by Members in respect of Club Suite Points Rights for the next following Use Year. If the Aggregate Management Costs and/or the Club Suite Service Charge for the preceding Use Year have not been ascertained prior to the issue of the Members Report pursuant to Article 12 then the Management Company shall use its best estimate of the Aggregate Management Costs and/or the

Club Suite Service Charge for the preceding year for the purpose of calculating the Management Charge for the next following Use Year and any discrepancy between such estimate and the ascertained amount shall be taken into account when calculating the Aggregate Management Costs and/or the Club Suite Service Charge for the current Use Year.

- (d) The Management Charge shall be payable by the Members and shall be a debt due to the Management Company payable (except in the case of the Founder Member) within 60 days of the Member's receipt of his Member's Report which shall constitute a demand for payment unless otherwise provided in the Rules and Regulations. In the case of the Founder Member the Management Charge shall be payable on demand but the Management Company shall not be entitled to demand payment until it is reasonably necessary for it to do so.
- (e) The Management Charge payable by each Member in respect of Standard Points Rights shall be a proportion of the Aggregate Management Costs (plus any Remuneration Percentage) determined first on the basis of an equal fixed sum payable by each Member owning Standard Points Rights as determined by the Board from time to time with any balance then being determined on the basis of the Standard Points Rights of such Member expressed as a fraction of the total number of Standard Points Rights in the Points System from time to time including Issuable Points Rights but excluding Unissuable Points Rights.

The Management Charge payable by each Member in respect of Club Suite Points Rights shall be a proportion of the Club Suite Service Charge (plus any Remuneration Percentage) determined on the basis of the Club Suite Points Rights of such Member expressed as a fraction of the total number of Club Suite Points Rights in the Points System from time to time including Issuable Points Rights but excluding Unissuable Points Rights.

- (f) In addition to the Management Charge, each Member shall pay to the Management Company such additional charges (including, without prejudice to the generality, default charges for non or late payment of the Management Charge) as may be levied on him by the Management Company pursuant to and in accordance with the Rules and Regulations.
- (g) A certificate at any time executed for and on behalf of the Management Company certifying any amount payable by a Member in terms of the Articles and the Rules and Regulations shall constitute prima facie proof of any amount so due by the Member.

14. NOTICE OF GENERAL MEETINGS

- (a) All general meetings other than annual general meetings shall be called extraordinary general meetings.
- (b) The Directors may call general meetings and, on the written request of the Founder Member or the written request of the Members pursuant to the provisions of the Act, shall forthwith proceed to convene an extraordinary general meeting for a date not later than eight weeks after receipt of the requisition.
- (c) An annual general meeting and an extraordinary general meeting called for the passing of a special resolution or a resolution appointing a person as a Director shall be called by at least twenty-one clear days' notice. All other extraordinary general meetings shall be called by at least fourteen clear days' notice but a general meeting may be called by shorter notice if it is so agreed:-
 - (i) in the case of an annual general meeting by all the Members entitled to attend and vote thereat; and
 - (ii) in the case of any other meeting by a majority in number of the Members having a right to attend and vote being a majority together holding not less than ninety-five per cent of the total voting rights at the meeting of all the Members.

The notice shall specify the time and place of the meeting and in the case of special business only the general nature of the business to be transacted and, in the case of an annual general meeting, shall specify the meeting as such.

The notice shall be given to all the Members including the Founder Member and Management Company and to the Directors and auditors and Trustee.

- (d) The Trustee shall have the right to be notified of and attend all general meetings and to speak thereat in all respects as if a full Member provided that the Trustee shall not be entitled to hold any proxy nor to vote in any proceedings.
- (e) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- (f) Every notice convening a general meeting shall comply with any applicable provisions of the Act relating to giving information to Members in regard to their right to appoint proxies.

15. PROCEEDINGS AT GENERAL MEETINGS

- (a) No business shall be transacted at any general meeting unless a quorum is present. Two persons, each being a Member or a proxy for a Member or a duly authorised representative of a corporation, at least one of whom shall be entitled to vote upon the business to be transacted, shall be a quorum.
- (b) If such a quorum is not present within thirty minutes from the time appointed for the meeting, or if during a meeting such a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place or such other day and at such other time and place as the Chairman of the meeting may determine, and if at the adjourned meeting a quorum is not present within thirty minutes from the time appointed therefor the Members present shall be a quorum.
- (c) The Chairman, if any, of the board of Directors or in his absence some other Director nominated by the Directors shall preside as Chairman of the meeting, but if neither the Chairman nor such other Director (if any) be present within ten minutes after the time appointed for holding the meeting and willing to act, the Directors present shall elect one of their number to be Chairman and, if there is only one Director present and willing to act, he shall be Chairman.
- (d) If no Director is willing to act as Chairman, or if no Director is present within ten minutes after the time appointed for holding the meeting, the Members present and entitled to vote shall choose one of their number to be Chairman.
- (e) The Chairman may, with the consent of a meeting at which a quorum is present (and shall if so directed by the meeting), adjourn business from time to time and from place to place, but no business shall be transacted at an adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen days or more, at least seven clear days' notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise it shall not be necessary to give any such notice.
- (f) A resolution put to the vote of a meeting shall be decided on a show of hands unless before, or on the declaration of the result of the show of hands a poll is duly demanded. Subject to the provisions of the Act, a poll may be demanded:-
 - (i) by the Chairman; or
 - (ii) by the Founder Member; or
 - (iii) by at least two Members having the right to vote at the meeting;

and a demand by a person as proxy for a Member shall be the same as a demand by the Member.

- (g) Unless a poll is duly demanded a declaration by the Chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.
- (h) The demand for a poll may, before the poll is taken, be withdrawn but only with the consent of the Chairman and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.
- (i) A poll shall be taken as the Chairman directs and he may appoint scrutineers (who need not be Members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (j) In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman shall be entitled to a casting vote in addition to any other vote he may have.
- (k) A poll demanded on the election of a Chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time and place as the Chairman directs not being more than thirty days after the poll is demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- (l) No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.
- (m) A resolution in writing executed by or on behalf of each Member who would have been entitled to vote upon it if it had been proposed at a general meeting at which he was present shall be as effectual as if it had been passed at a general meeting duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more Members.

16. VOTES OF MEMBERS

- (a) Each Member shall have the voting rights set out in Article 5.
- (b) A Member in respect of whom an order has been made by any court having jurisdiction (whether in the United Kingdom or elsewhere) in matters concerning mental disorder may vote, whether on a show of hands or on a poll, by his receiver, curator bonis or other person authorised in that behalf appointed by that court, and any such receiver, curator bonis or other person may, on a poll, vote by proxy. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be deposited at the Office or at such other place as is specified in accordance with the Articles for the deposit of instruments of proxy, not less than 48 hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.
- (c) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting shall be valid. Any objection made in due time shall be referred to the Chairman whose decision shall be final and conclusive.
- (d) An instrument appointing a proxy shall be in writing, executed by or on behalf of the appointor and shall be in the following form (or in a form as near thereto as circumstances allow or in any other form which is usual or which the Directors may approve):-

“GRAND VACATION CLUB LIMITED”

I/We, _____ of _____ being a member/members of the above-named Company, hereby appoint _____ of _____, or failing him, _____ of _____ as my/our proxy to vote in my/our name(s) and on my/our behalf at the annual/extraordinary general meeting of the Company to be held on _____ 19____, and at any adjournment thereof.

(f) The instrument appointing a proxy and any authority under which it is executed or a copy of such authority certified notarially or in some other way approved by the Directors may:-

- (i) be deposited at the Office or at such other place within the United Kingdom as is specified in the notice convening the meeting or in any instrument of proxy sent out by the Company in relation to the meeting not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposed to vote; or
- (ii) in the case of a poll taken more than 48 hours after it is demanded, be deposited as aforesaid after the poll has been demanded and not less than 24 hours before the time appointed for the taking of the poll; or

and an instrument of proxy which is not deposited or delivered in a manner so permitted shall be invalid.

(g) A vote given or poll demanded by proxy or by the duly authorised representative of a firm or corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll unless notice of the determination was received by the

Company at the Office or at such other place at which the instrument of proxy was duly deposited before the commencement of the meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

17. ALTERNATE DIRECTORS

- (a) Any Founder Member Director may appoint any other Founder Member Director, or any other person approved by the Founder Member and willing to act, to be an alternate Director and may remove from office an alternate Director so appointed by him. No Director, other than a Founder Member Director shall be entitled to appoint an alternate Director.
- (b) An alternate Director shall be entitled to receive notice of all meetings of Directors and of all meetings of committees of Directors of which his appointor is a member, to attend and vote at any such meeting at which the Founder Member Director appointing him is not personally present, and generally to perform all the functions of his appointor as a Founder Member Director in his absence but shall not be entitled to receive any remuneration from the Company for his services as an alternate Director.
- (c) An alternate Director shall cease to be an alternate Director if his appointor ceases to be a Founder Member Director.
- (d) Any appointment or removal of an alternate Director shall be by notice to the Company signed by the Founder Member Director making or revoking the appointment or in any other manner approved by the Directors.
- (e) Save as otherwise provided in the Articles, an alternate Director shall be deemed for all purposes to be a Founder Member Director and shall alone be responsible for his own acts and defaults and he shall not be deemed to be the agent of the Founder Member Director appointing him.

18. POWERS OF DIRECTORS

- (a) Subject to the provisions of the Act, the Memorandum and the Articles, the business of the Company shall be managed by the Directors who may exercise all the powers of the Company. No alteration of the Memorandum or Articles shall invalidate any prior act of the Directors which would have been valid if that alteration had not been made or that direction had not been given. The powers given by this regulation shall not be limited by any special power given to the Directors by the Articles and a meeting of Directors at which a quorum is present may exercise all powers exercisable by the Directors.
- (b) Without prejudice to the generality of Article 18(a) the Directors shall be entitled to exercise the following specific powers:-
 - (i) To delegate to the Management Company such of the Company's powers as may be appropriate to enable the Management Company to perform its functions pursuant to the Management Agreement under which it is appointed. Throughout the duration of its appointment all the powers of the Company delegated to the Management Company shall be exercised by it and not by the Directors who shall instead liaise with the Management Company and monitor the performance of its duties.

 - (1) the proper regulation and administration of the Points System operated by the Company,
 - (2) the reservation and use by Members of Accommodation Assets,

 - (iv) To do all things reasonably necessary for the smooth running of the Points System.
 - (v) To approve or ratify the Trust Deed on behalf of the Company and upon or prior to the determination of any Trust Deed the Board shall enter into on behalf of the Company a further or succeeding Trust Deed upon such reasonable terms as are consistent with the Articles and the Points System.
 - (vi) The Directors shall generally supervise the business affairs of the Company and ensure that the Management Company and the Founder Member and the Ordinary Members are fulfilling their respective duties and obligations in connection with the Company and to ensure effective communication between the Management Company, the Founder Member, the Directors, and the Ordinary Members.
 - (vii) The Directors, or where such powers have been delegated to the Management Company, the Management Company shall be entitled to cancel, suspend or vary the Points, Points Rights or Occupancy Rights or Membership of any Member (other than the Founder Member) at any time who, in the reasonable opinion of the Directors, or where such powers have been delegated to the Management Company, the Management Company shall have failed without good cause to pay any monies due to the Management Company or the Company on the due date or shall have failed to comply with his obligations under the Articles or shall have committed a breach of the Rules and Regulations or whose conduct in the reasonable opinion of the Directors shall be unbecoming to a Member of the Company and who has not paid the outstanding monies, or complied with the obligation and remedied the breach, or desisted from the said conduct within such reasonable time as the Directors, or where such powers have been delegated to the Management Company, the Management Company shall notify in writing to such Member. The decision of the Directors, or where such powers have been delegated to the Management Company, the Management Company shall be final. In the event of a Member having his Points, Points Rights or Occupancy Rights cancelled or suspended or his Membership suspended under this Article he shall not be entitled to exercise any of the rights of a Member (including the right to attend and vote at general meetings) but shall continue to be liable for all the obligations attaching to his Membership and his ownership of Points or Points Rights (unless they have been cancelled). Any Points or Points Rights may only be cancelled under this Article with the consent of the Founder Member and on cancellation shall be forfeited to the Founder Member or its nominee and shall become Issuable Points and Issuable Points Rights. If any Membership is cancelled under this Article the provisions of Article 4(e)(ii) shall apply.
- (c) In the event of any conflict between the provisions of the Rules and Regulations and the provisions of the Articles the provisions of the Articles shall prevail and nothing contained in the Rules and Regulations shall be deemed to constitute an amendment of the Articles.

19. DELEGATION OF DIRECTORS' POWERS

The Directors may (with the consent of the Founder Member but not otherwise) delegate any of their powers to any committee consisting of one or more Directors of the Company. Any such delegation may be made subject to any conditions the Founder Member may impose, and either collaterally with or to the exclusion of the Directors' own powers and may be revoked or altered. Subject to any such conditions, the proceedings of a committee with three or more members shall be governed by the Articles regulating the proceedings of Directors (including the provisions regarding a quorum) so far as they are capable of applying.

20. APPOINTMENT OF DIRECTORS

- (a) The number of Directors (other than alternate Directors) shall not be less than three and shall not be more than five. The Founder Member shall be entitled to appoint up to a maximum of 3 Directors pursuant to Article 20(b) and the Members shall be entitled to appoint up to a maximum of 2 Directors pursuant to Article 20(d).
- (b) The Founder Member may at any time and from time to time by a memorandum signed by it appoint any person to be a Founder Member Director (but so that the number of Founder Member Directors for the time being shall not be more than 3) and may in like manner remove any Founder Member Director so appointed and appoint another in his place and may similarly fill any other vacancy in the Founder Member Directors to be appointed by the Founder Member. Any such appointment or removal shall take effect at and from the time when the memorandum is lodged at the Office or produced at a meeting of the Directors.
- (c) Any memorandum of appointment or removal of a Director which is required to be signed by a corporate Member may be signed on its behalf by any of its Directors.
- (d) Subject to the provisions of the Articles the Company may by ordinary resolution appoint a person who is willing to act to be a Director either to fill a vacancy or as an additional Director.
- (e) At every annual general meeting all the Directors (other than the Founder Member Directors) shall retire from office.
- (f) If the Company, at the meeting at which a Director retires, does not fill the vacancy the retiring Director shall, if willing to act, be deemed to have been reappointed unless at the meeting it is resolved not to fill the vacancy or unless a resolution for the reappointment of the Director is put to the meeting and lost.
- (g) No person other than a retiring Director shall be appointed or reappointed a Director at any general meeting unless:-
 - (i) he is recommended by the Directors; or
 - (ii) not less than fourteen nor more than thirty-five clear days before the date appointed for the meeting, notice executed by a Member qualified to vote at the meeting has been given to the Company of the intention to propose that person for appointment or reappointment stating the particulars which would, if he were so appointed or reappointed, be required to be included in the Company's register of Directors together with notice executed by that person of his willingness to be appointed or reappointed.
- (h) Not less than seven nor more than twenty-eight clear days before the date appointed for holding a general meeting notice shall be given to all who are entitled to receive notice of the meeting of any person (other than a Director retiring at the meeting) who is recommended by the Directors for appointment or reappointment as a Director at the meeting or in respect of

whom notice has been duly given to the Company of the intention to propose him at the meeting for appointment or reappointment as a Director. The notice shall give the particulars of that person which would, if he were so appointed or reappointed, be required to be included in the Company's register of Directors.

- (i) The Directors may appoint a person who is willing to act to be a Director, either to fill a vacancy or as an additional Director, provided that the appointment does not cause the number of Directors to exceed any number fixed by or in accordance with the Articles as the maximum number of Directors.
- (j) A Director who retires at an annual general meeting may, if willing to act, be reappointed. If he is not reappointed, he shall retain office until the meeting appoints someone in his place, or if it does not do so, until the end of the meeting.

21. DISQUALIFICATION AND REMOVAL OF DIRECTORS

The office of a Director shall be vacated if:-

- (a) he ceases to be a Director by virtue of any provision of the Act or he becomes prohibited by law from being a Director; or

- (c) he is, or may be, suffering from mental disorder and either:-
 - (i) he is admitted to hospital in pursuance of an application for admission for treatment in England or Wales under the Mental Health Act 1983 or, in Scotland, the Mental Health (Scotland) Act 1960, or

- (d) he resigns his office by notice to the Company; or
- (e) he is removed from office pursuant to Article 20(b); or
- (f) he shall for more than twelve consecutive months have been absent without permission of the Directors from meetings of Directors held during that period and the Directors resolve that his office be vacated.

22. DIRECTORS' EXPENSES

The Directors may be paid at the discretion of the Board of Directors, all travelling, hotel, and other expenses properly incurred by them in connection with their attendance at meetings of Directors or committees of Directors or general meetings or separate meetings of the holders of debentures in the Company or otherwise in connection with the discharge of their duties. For the avoidance of doubt any such monies shall be paid by the Management Company and shall be taken into account when calculating the Aggregate Management Costs.

23. DIRECTORS' APPOINTMENTS AND INTERESTS

- (i) may be a party to, or otherwise interested in, any transaction or arrangement with the Company or in which the Company is otherwise interested provided that no Director who has a contract of service or any other type of contract with the Company shall be entitled to vote on any matter relating to such contract or to vote on his appointment; or
 - (ii) may be a Director or other officer of, or employed by, or a party to any transaction or arrangement with, or otherwise interested in, any body corporate promoted by the Company or in which the Company is otherwise interested; and
 - (iii) shall not, by reason of his office, be accountable to the Company for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any such body corporate and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.
- (b) For the purposes of Article 23(a):-
- (i) a general notice given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified; and
 - (ii) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his.

24. PROCEEDINGS OF DIRECTORS

- (a) Subject to the provisions of the Articles, the Directors may regulate their proceedings as they think fit. A Director may, and the secretary at the request of a Director shall, call a meeting of the Directors. Questions arising at a meeting shall be decided by a majority of votes. In the case of an equality of votes, the chairman shall have a second or casting vote. A Director who is also an alternate Director shall be entitled in the absence of his appointor to a separate vote on behalf of his appointor in addition to his own vote.
- (b) The quorum for the transaction of the business of the Directors may be fixed by the Directors and unless so fixed at any other number shall be three (of whom two at least shall be Founder Member Directors). A person who holds office only as an alternate Director shall, if his appointor is not present, be counted in the quorum.
- (c) The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number, but, if the number of Directors is less than the number fixed as the quorum, the continuing Directors or Director may act only for the purpose of calling a general meeting.
- (d) The Directors may appoint one of their number to be the chairman of the board of Directors and may at any time remove him from that office. Unless he is unwilling to do so, the Director so appointed shall preside at every meeting of Directors at which he is present. But if there is no Director holding office, or if the Director holding it is unwilling to preside or is not present within five minutes after the time appointed for the meeting, the Directors present may appoint one of their number to be chairman of the meeting.
- (e) All acts done by a meeting of Directors, or of a committee of Directors, or by a person acting as a Director shall, notwithstanding that it be afterwards discovered that there was a defect in the appointment of any Director or that any of them were disqualified from holding office, or had vacated office, or were not entitled to vote, be as valid as if every person had been duly appointed and was qualified and had continued to be a Director and had been entitled to vote.

- (f) A resolution in writing signed by all the Directors entitled to receive notice of a meeting of Directors or of a committee of Directors shall be as valid and effectual as if it had been passed at a meeting of Directors or (as the case may be) a committee of Directors duly convened and held and may consist of several documents in the like form each signed by one or more Directors; but a resolution signed by an alternate Director need not also be signed by his appointor and, if it is signed by a Director who has appointed an alternate Director, it need not be signed by the alternate Director in that capacity.
- (g) Where proposals are under consideration concerning the appointment of two or more Directors to offices or employments with the Company or any body corporate in which the Company is interested the proposals may be divided and considered in relation to each Director separately and (provided he is not for another reason precluded from voting) each of the Directors concerned shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his own appointment.
- (h) If a question arises at a meeting of Directors or of a committee of Directors as to the right of a Director to vote, the question may, before the conclusion of the meeting, be referred to the Chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive.
- (i) A meeting of the Directors or any committee thereof may, subject to notice thereof having been given in accordance with the Articles, be for all purposes deemed to be held when Directors are in simultaneous communication with each other by telephone or fax or by any means of audio-visual communication and the number of Directors participating in such communication constitutes the quorum of Directors which would otherwise be required by these Articles to be present at the meeting.

25. SECRETARY

Subject to the provisions of the Act, the secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they may think fit; and any secretary so appointed may be removed by them.

26. MINUTES

The Directors shall cause minutes to be made in books kept for the purpose:-

- (a) of all appointments of officers made by the Directors; and
- (b) of all proceedings at meetings of the Company and of the Directors, and of committees of Directors, including the names of the Directors present at each such meeting.

27. THE COMPANY SEAL

The seal (if any) shall only be used with the authority of the Directors or of a committee of Directors authorised by the Directors. The Directors may determine who shall sign any instrument to which the seal is affixed and unless otherwise so determined it shall be signed by a Director and by the secretary or by a second Director.

28. NOTICES

- (a) Any notice to be given to or by any person pursuant to the Articles shall be in writing except that a notice calling a meeting of the Directors need not be in writing.

- (b) The Company may give any notice to a Member or Director either personally or by sending it by post in a prepaid envelope addressed to the Member or Director at his registered address or by leaving it at that address.
- (c) A Member present, either in person or by proxy, at any meeting of the Company shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.
