For the financial year ended 31st March 2014, the company was entitled to exemption from audit under section 477(2) of the Companies Act 2006. No members have required the company to obtain an audit of its accounts for the year in question in accordance with Section 476 of the Companies Act 2006. The directors acknowledge their responsibilities for ensuring that the company keeps accounting records and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the year and of its profit or loss for the financial year, and which otherwise comply with the requirements of the Companies Act relating to accounts, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by the board at a meeting on 30th June 2014

NOTES FORMING PART OF THE 2014 ACCOUNTS

1. Accounting policies

(a) Basis of Accounting

the accounts have been prepared under the historical cost convention.

(b) Consolidation

The company and its subsidiary comprise a small group. The company has therefore taken advantage of the exemption provided by section 248 of the Companies Act 2006 not to prepare group accounts.

(c) Turnover

Turnover represents net invoiced sales of goods, excluding VAT.

(d) Tangible Fixed Assets

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life:

Plant and machinery	-	15% on cost
Fixtures and fittings	-	15% on cost
Motor vehicles	-	25% on cost

(e) Stock

Stock and work-in-progress is valued at the lower of cost or net realisable value, after making due allowance for obsolete and slow-moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

(f) Deferred Taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future.

(g) Foreign Currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

(h) Leased Assets

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profit as incurred.

Assets held under finance leases and hire purchase contracts are capitalised and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability. The interest element of rental obligations is charged to profit and loss account over the period of the lease at a constant proportion of the outstanding balance of capital repayments.
