The notes on pages 6 to 8 form part of these financial statements.

#### Notes to the financial statements for the year ended 30th June 2016

#### 1 Accounting policies

#### a) Going concern

The company relies on the continued support of its creditors including substantial directors' loans. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis.

#### b) Basis of accounting

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

The company has taken advantage of the exemption, conferred by the Financial Reporting Standard for Smaller Entities, from the requirement to present a cash flow statement.

#### c) Turnover

Turnover represents the value of goods sold and services rendered during the year, excluding value added tax. When a long term project straddles the year end the turnover and related cost of sales before the year end is included in the accounts.

#### d) Depreciation of tangible fixed assets

Depreciation is provided on all tangible fixed assets at rates calculated to write off the full cost or valuation less estimated residual value of each asset over its estimated useful life. The principal rates in use are:

Equipment, fixtures and fittings 20% on cost

#### e) Foreign currency translation

The company's presentational currency is pounds sterling, but the functional currency used in the company's accounting records is euros. Transactions in non-euro currencies are converted to euros at the exchange rate prevailing on the date of the transaction. Euro figures in the profit and loss account are converted to sterling using the average exchange rate prevailing during the accounting period. Foreign currency assets and liabilities are translated to sterling at the balance sheet date with any foreign exchange gain or loss being taken to the profit and loss account.

#### 2 Turnover

The turnover and loss before taxation is attributable to the one principal activity of the company.
