NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

1 General information

Lisbon Associates Itd ("the company") is a private company limited by share capital incorporated in England and Wales under the Companies Act.

The address of its registered office is given on page 1. The nature of the company's operations and its principal activities are set out in the Director's Report on page 2.

2 Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Going concern

The financial statements have been prepared on a going concern basis. The company relies on the continued support of its creditors including substantial directors' loans. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis.

Statement of compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' Section 1A and in accordance with the Companies Act 2006. There were no material departures from that standard.

These financial statements for the year ended 30 June 2017 are the first financial statements that comply with FRS 102 Section 1A small entities. The company transitioned from previously extant UK GAAP to FRS 102 on 1 July 2016. An explanation of how the transition to FRS 102 has affected the reported financial position and financial performance is given in note 9.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The functional currency of the company is considered to be pounds sterling (\mathfrak{L}) because that is that currency of the primary economic environment in which the company operates. The financial statements are presented in sterling (\mathfrak{L}) .

Key sources of estimation uncertainty

In the directors' opinion, there are no sources of estimation uncertainty which could materially affect the accounts.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the Company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts. When a long term project straddles the year end the turnover and related cost of sales before the year end is included in the accounts.

2 Accounting policies (continued)

Foreign currency transactions and balances

The company's presentational currency is pounds sterling, but the functional currency used in the company's accounting records is euros. Transaction in non-euro currencies are converted to euros at the exchange rate prevailing on the date of the transaction. Euro figures in the profit and loss account are converted to sterling using the average exchange rate prevailing during the accounting period. Foreign currency assets and liabilities are translated to sterling at the balance sheet date with any foreign exchange gain or loss being taken to the profit and loss account.

Tangible assets

Tangible assets is stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Asset class

Depreciation method and rate

Equipment, fixtures and fittings

20% on cost

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and bank balances.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 2 (2016 - 2).

Key management personnel

Other creditors includes a loan to the company from the directors G Husbands and N Khazbandz of £29,786 (2016 - £20,146). The loan is interest free and is repayable on demand.

9 Transition to FRS 102

The company is a first time adopter of FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. The last financial statements prepared under previously extant UK GAAP was for the year ended 30 June 2016 and the date of transition to FRS 102 was therefore 1 July 2016(for comparatives 1 July 2015). As a consequence of the adoption of FRS 102, there has been no effect on accounting policies. In addition, the transition has had no effect on the company's reported financial position and financial performance.
