**STRATEGIC REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2016**

---

The Directors present their Strategic Report for the Company.

**BUSINESS REVIEW AND FUTURE DEVELOPMENTS**

The principal activity of the Company is that of a radio broadcaster in the East Midlands under the Smooth FM brand.

The profit for the 12 months ended 31 December 2016 before taxation was £427,000 (2015: £273,000). Turnover for the 12 months ended 31 December 2016 was £3,190,000 (2015: £3,037,000). The station reaches 370,000 adults aged 15+ each week and has a commercial market share within its broadcast area of 13.6% (Source: RAJAR December 2016).

The Directors are satisfied with the performance of the station during the period and will focus on growing its revenue and audiences through further marketing investment in the brand.

**PRINCIPAL RISKS AND UNCERTAINTIES**

The Company is a subsidiary of Communicorp UK Limited. From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of the Group and are not managed separately. The principal risks in the view of the Directors are outlined below.

**Liquidity risk**

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the Company uses intercompany borrowings from other Group companies.

**Market risk**

The key risk to the business is that an advertising slowdown may put pressure on traditional revenues, and reduce the value of the investments held. The risk is monitored and managed through Group management.

**Interest rate risk**

Interest rate risk arises from intercompany balances that bear interest at the Bank of England base rate +2%. The directors have reviewed the Company's exposure to interest rates and have concluded that the risk is appropriate in relation to the financial results of the Company.

**FINANCIAL KEY PERFORMANCE INDICATORS**

The business uses key performance indicators which are monitored on a regular basis and include audience trends such as weekly reach, listening hours, share of the market and demographic mix, as well as financial indicators such as turnover, EBITDA and operating margins. Variance analysis is performed monthly and variances are monitored and discussed within a formal meeting structure. Key performance indicators are included in the business review and future developments section of this report.

This report was approved by the board on 20 July 2017 and signed on its behalf.

### **DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2016**

---

The Directors present their report and the financial statements for the year ended 31 December 2016.

#### **DIRECTORS' RESPONSIBILITIES STATEMENT**

The Directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under Company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- notify the Company's shareholders in writing about the use of disclosure exemptions, if any, of FRS 101 used in the preparation of financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Results and dividends**

The profit for the year, after taxation, amounted to £339,000 (2015: £212,000).

During the year, there was a dividend paid of £1,000,000, the Directors do not recommend payment of a final dividend (2015: £Nil).

#### **Directors**

The Directors who served during the year were:

CD Everitt  
MA Lee

#### **Future developments**

Please refer to the review of business and future developments in the strategic report on page 2.

**DIRECTORS' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2016**

---

**Qualifying third party indemnity provisions**

The Company has granted indemnity in favour of its Directors and officers against the financial exposure that they may incur in the context of their professional duties as Directors and officers of the company.

**Subsequent events**

Subsequent to the Statement of Financial Position date there have been no material events that have impacted the Company.

**Political Donations**

The Company made no political donations in the year ended 31 December 2016 (2015: Nil)

**Disclosure of information to auditors**

Each of the persons who are Directors at the time when this Directors' Report is approved has confirmed that:

- so far as that Director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- that Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

**Auditors**

In accordance with section 489 of the Companies Act 2006, a resolution for the reappointment of KPMG as auditor of the Company is to be proposed at the forthcoming Annual General Meeting.

This report was approved by the board on 20 July 2017 and signed on its behalf.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SMOOTH RADIO MIDLANDS LIMITED**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SMOOTH RADIO LIMITED**

We have audited the financial statements of Smooth Radio Midlands Limited for the year ended 31 December 2016 which comprise the Statement of Profit and Loss and Other Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity and related notes. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) including FRS 101 *Reduced Disclosure Framework*. Our audit was conducted in accordance with International Standards on Auditing (ISAs) (UK & Ireland).

**Opinions and conclusions arising from our audit**

**1 Our opinion on the financial statements is unmodified**

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**2 Our conclusions on other matters on which we are required to report by the Companies Act 2006 are set out below**

In our opinion the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Based solely on the work required to be undertaken in the course of the audit of the financial statements and from reading the Strategic report and the Directors' report:

- we have not identified material misstatements in those reports; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

**3 We have nothing to report in respect of matters on which we are required to report by exception**

Under ISAs (UK and Ireland) we are required to report to you if, based on the knowledge we acquired during our audit, we have identified other information in the annual report that contains a material inconsistency with either that knowledge or the financial statements, a material misstatement of fact, or that is otherwise misleading.

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of the above responsibilities.

---

**SMOOTH RADIO MIDLANDS LIMITED**

---

---

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SMOOTH RADIO MIDLANDS LIMITED**

---

**Basis of our report, responsibilities and restrictions on use**

As explained more fully in the Statement of Directors' Responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2006. Our responsibility is to audit and express an opinion on the financial statements in accordance with UK law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Financial Reporting Council's Ethical Standards for Auditors.

An audit undertaken in accordance with ISAs (UK & Ireland) involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Whilst an audit conducted in accordance with ISAs (UK & Ireland) is designed to provide reasonable assurance of identifying material misstatements or omissions it is not guaranteed to do so. Rather the auditor plans the audit to determine the extent of testing needed to reduce to an appropriately low level the probability that the aggregate of uncorrected and undetected misstatements does not exceed materiality for the financial statements as a whole. This testing requires us to conduct significant audit work on a broad range of assets, liabilities, income and expense as well as devoting significant time of the most experienced members of the audit team, in particular the engagement partner responsible for the audit, to subjective areas of the accounting and reporting.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Date: 20 July 2017

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

---

#### 1. GENERAL INFORMATION

Smooth Radio Midlands Limited ('the company') is a private company and is incorporated and domiciled in the UK. The address of its registered office is Laser House, Waterfront Quay, Salford Quays, Manchester, England. M50 3XW.

#### 2. ACCOUNTING POLICIES

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied:

##### 2.2 Financial reporting standard 101 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions under FRS 101:

- a cash flow statement and related notes;
- disclosures in respect of capital management;
- the effects of new but not yet effective IFRSs;
- disclosure of related party transactions;
- disclosures in respect of the compensation of key management personnel; and
- disclosures of transactions with a management entity that provides key management personnel services to the company.

##### 2.3 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before revenue is recognised:

###### Sale of goods

Revenue from the sale of goods is recognised when all of the following conditions are satisfied:

- the Company has transferred the significant risks and rewards of ownership to the buyer;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2016**

---

**2. ACCOUNTING POLICIES (continued)****2.3 Revenue (continued)**

- it is probable that the Company will receive the consideration due under the transaction;
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

**Rendering of services**

Revenue from a contract to provide services is recognised in the period in which the services are provided in accordance with the stage of completion of the contract when all of the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the Company will receive the consideration due under the contract;
- the stage of completion of the contract at the end of the reporting period can be measured reliably, and;

**2.4 Tangible fixed assets**

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The Company adds to the carrying amount of an item of fixed assets the cost of replacing part of such an item when that cost is incurred, if the replacement part is expected to provide incremental future benefits to the Company. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to profit or loss during the period in which they are incurred.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Fixtures and fittings	- 20%
Office equipment	- 33%
Computer equipment	- 33%

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within 'other operating income' in the Statement of Profit and Loss and Other Comprehensive Income.

--------------------------------------

---

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2016**

---

**2. ACCOUNTING POLICIES (continued)**

**2.5 Operating leases: Lessee**

Rentals paid under operating leases are charged to the profit or loss on a straight line basis over the period of the lease.

**2.6 Interest receivable and interest payable**

Interest payable and similar charges include interest payable, finance charges on shares classified as liabilities and finance leases recognised in profit or loss using the effective interest method, unwinding of the discount on provisions, and net foreign exchange losses that are recognised in the profit or loss. Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial time to be prepared for use, are capitalised as part of the cost of that asset. Other interest receivable and similar income include interest receivable on funds invested and net foreign exchange gains.

Interest income and interest payable is recognised in profit or loss as it accrues, using the effective interest method. Dividend income is recognised in the Statement of Profit and Loss and Other Comprehensive Income on the date the entity's right to receive payments is established. Foreign currency gains and losses are reported on a net basis.

**2.7 Trade and other debtors**

Trade and other debtors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses.

**2.8 Trade and other creditors**

Trade and other creditors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

**2.9 Pensions**

**Defined contribution pension plan**

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payments obligations.

The contributions are recognised as an expense in the Statement of Profit and Loss and Other Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of Financial Position. The assets of the plan are held separately from the Company in independently administered fund.

**2.10 Current and deferred taxation**

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Statement of Profit and Loss and Other Comprehensive Income, except that a change attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

**SMOOTH RADIO MIDLANDS LIMITED**

---

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2016**

---

**2. ACCOUNTING POLICIES (continued)**

**2.10 Current and deferred taxation (continued)**

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the Statement of Financial Position date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Statement of Financial Position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the Statement of Financial Position date.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2016**

**3. JUDGMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

**Critical accounting estimates and judgments**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

**(a) Useful economic lives of property, plant and equipment**

The annual depreciation charge for property, plant and equipment is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets. See note 11 for the carrying amount of the property plant and equipment, and note 2.4 for the useful economic lives for each class of assets.

**(b) Impairment of trade receivables**

The company makes an estimate of the recoverable value of trade and other debtors. When assessing impairment of trade and other receivables, management considers factors including the credit rating of the receivable, the ageing profile of receivables and historical experience. See note 12 for the net carrying amount of the receivables.

**4. ANALYSIS OF TURNOVER**

All turnover arose within the United Kingdom and the Directors consider there to be only one operating segment in the business.

**5. Operating profit**

The operating profit is stated after charging:

	<b>31 December 2016 £000</b>	<i>31 December 2015 £000</i>
Depreciation of tangible fixed assets	<b>1</b>	<i>1</i>

### 9. TAXATION (continued)

#### FACTORS AFFECTING TAX CHARGE FOR THE YEAR

The tax assessed for the year is higher than (2015: *higher than*) the standard rate of corporation tax in the UK of 20% (2015: 20.25%). The differences are explained below:

	31 December 2016 £000	31 December 2015 £000
Profit on ordinary activities before tax	<u>428</u>	<u>273</u>
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 20% (2015: 20.25%)	85	55
<b>EFFECTS OF:</b>		
Expenses not deductible	2	2
Tax rate changes	1	4
<b>TOTAL TAX CHARGE FOR THE YEAR</b>	<u><u>88</u></u>	<u><u>61</u></u>

#### FACTORS THAT MAY AFFECT FUTURE TAX CHARGES

The Chancellor has enacted a reduction of the main rate of Corporation tax from 1 April 2017 to 19% and further reduction to 17% from 1 April 2020. These future changes to Corporation tax have been reflected in these financial statements and in the calculation of any deferred tax assets or liabilities.
