Notes to the accounts

For the year ended 31 December 2013

1. Accounting policies

Accounting basis and standards

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

At 31 December 2013 the company's liabilities exceeded its assets. In order to meet its liabilities as they fall due the company relies on the continued support of the directors.

The directors consider that the company will continue as a trading company for the foreseeable future and all financial commitments will be met by the directors. Accordingly the company considers it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from the withdrawal of the support of the directors.

The principal accounting policies of the company have remained unchanged from the previous year and are set out below.

Depreciation

Fixed assets are shown at historical cost.

Depreciation of fixed assets is calculated by the reducing balance method to write off their cost or valuation less any residual value over their estimated useful lives. The rates applicable are:

	%
Fixtures and fittings	15
Office equipment	25

Taxation

Corporation tax payable is provided on taxable profits at the current rate.

2. Turnover

Turnover comprises the value of sales (excluding VAT and similar taxes and trade discounts) of goods and services in the normal course of business.
