### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

---

#### 1. General information

The Company is a private company limited by shares, registered in England and Wales. The registered office is Three Cherry Trees Lane, Hemel Hempstead, Hertfordshire, HP2 7AH.

#### 2. Accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) and the Companies Act 2006.

The Company's functional and presentational currency is Pounds Sterling.

The financial statements have been prepared on the historical cost basis, except financial instruments which are measured in terms of IFRS 9 'Financial Instruments'. The principal accounting policies set out below have been consistently applied to all periods presented.

The Company has applied the exemption in FRS 102 paragraph 35.10(m) which allows a dormant company to retain its accounting policies applied under the entity's previous accounting framework for reported assets, liabilities and equity at the date of transition to this FRS, until there is any change to those balances or the Company undertakes any new transactions.

The presentation of financial statements in compliance with FRS 102 normally requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies. The Director considers that there are no areas of significant estimation or uncertainty in these financial statements.

##### 2.2 Financial Reporting Standard 102 - reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102:

- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.42, 11.44 to 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);

**2. Accounting policies (continued)**

**2.3 Going concern**

The Director is satisfied that the Company has adequate resources for its foreseeable needs given that it is non-trading and has positive net assets. For this reason, the Director has concluded that there are no material uncertainties in adopting the going concern basis in preparing the financial statements.

**2.4 Financial instruments**

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Comprehensive Income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.
