## **Directors' report**

For the year ended 31 December 2022

The directors present their report and the audited financial statements of First Retail Finance (Chester) Ltd ("the Company") for the year ended 31 December 2022.

### **General information**

The Company is a private limited company, incorporated, registered and domiciled in the United Kingdom (registered number: 02964970).

The principal activity of the Company was the provision of personal finance and associated services. All loans have now been either repaid or written off.

The Company is funded entirely by other companies within the Lloyds Banking Group ("the Group").

The Company qualifies as a small company in accordance with sections 381-382 of the Companies Act 2006 (the "Act"). The Directors' report has therefore been prepared taking into consideration the entitlement to small companies exemptions provided in sections 414B (as incorporated into the Act by the Strategic Report and Directors' Report Regulations 2013) and 415A of the Act.

### **Review of business**

The results of the Company show a Result before tax of £nil (2021: £48,000) for the year as set out in the Statement of comprehensive income on page 5.

The Company has total Accumulated losses of £452,000 (2021: £452,000).

### **Principal risks and uncertainties**

From the perspective of the Company, the principal risks and uncertainties are managed within the framework established for the Group and are not managed separately for the Company. Further details of the Company's and Group's risk management policy are contained in note 11 to the financial statements.

Other significant uncertainties are discussed below in more detail.

#### **Long-term impact of the United Kingdom's exit from the European Union**

Uncertainties in respect of the medium to long-term implications of the United Kingdom's ("UK") exit from the European Union ("EU") on trade, regulation and employment continue to present risks. This includes impacts on supply chains, affordability of goods and services and UK demographics and prosperity. The Directors believe that there will continue to be limited impact on the Company.

#### **Russian invasion of Ukraine**

The Russian invasion of Ukraine, beginning in February 2022, has increased tensions between members of the North Atlantic Treaty Organisation (NATO) and Russia and caused sanctions to be imposed. This could have significant adverse economic effects on financial markets and on energy costs and may also result in increased cyber-attacks and an increase in costs associated with such cyber-attacks, all of which could have a materially adverse effect on the Group's results of operations, financial condition, or prospects. The Group will monitor the situation and risks to the business. The Directors believe that there will be limited impact on the Company.

## **Directors' report (continued)**

For the year ended 31 December 2022

### **Key performance indicators ("KPIs")**

Given the fact that the Company is no longer writing new business, the Company's directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business.

### **Future outlook**

The Company ceased to write new business with effect from 1 May 2000. As the Company is no longer trading, the directors are taking steps to make the Company dormant, in readiness for liquidation now the Payment protection insurance ("PPI") position has been fully resolved.

### **Dividends**

No dividends were paid or proposed during the year ended 31 December 2022 (2021: £nil).

### **Going concern**

As the directors intend to liquidate the Company at the earliest opportunity, the accounts have been prepared on a basis other than going concern.

### **Directors**

The current directors of the Company are shown on the front cover.

There have been no changes to directors between the beginning of the reporting period and the approval of the Annual report and accounts.

### **Directors' indemnities**

Lloyds Banking Group plc has granted to the Directors of the Company a deed of indemnity which constitutes 'qualifying third party indemnity provisions' for the purposes of the Companies Act 2006. The deed was in force during the whole of the financial year and at the date of approval of the financial statements or from the date of appointment in respect of the Director who joined the board of the Company during the financial year. Directors no longer in office but who served on the Board of the Company at any time in the financial year had the benefit of this deed of indemnity during that period of service. The deed for existing Directors is available for inspection at the registered office of Lloyds Banking Group plc. In addition, the Group has in place appropriate Directors and Officers Liability Insurance cover which was in place throughout the financial year.

## Directors' report (continued)

For the year ended 31 December 2022

### Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law, the Directors are required to prepare the financial statements in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006. The financial statements also comply with International Financial Reporting Standards (IFRSs) as issued by the IASB. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, International Accounting Standard 1 requires that directors:

- properly select and apply accounting policies;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- make an assessment of the Company's ability to continue as a going concern.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Directors' confirmations

In accordance with Section 418 of the Companies Act 2006, in the case of each director in office at the date the report is approved:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

### Auditors and disclosure of information to auditors

Deloitte LLP are deemed to be re-appointed as auditor under section 487(2) of the Companies Act 2006.

This report has been prepared in accordance with the special provisions relating to small companies within Section 415A of Part 15 of the Companies Act 2006.

Approved by the board of directors and signed on its behalf by:

S J Caddick  
Director

<b>Cash and cash equivalents at end of year</b>	<b>1,635</b>	<b>1,632</b>

The accompanying notes to the financial statements are an integral part of these financial statements.

## Notes to the financial statements

For the year ended 31 December 2022

### 1. Accounting policies

#### 1.1 Basis of preparation

First Retail Finance (Chester) Ltd (the Company) is a private Company limited by shares incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales. The registered office can be found on the front page and its principal activity is included in the directors report.

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied in both years presented, unless otherwise stated.

The financial statements of the Company have been prepared in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006. The financial statements have also been prepared in accordance with International Financial Reporting Standards ("IFRSs") as issued by the International Accounting Standards Board ("IASB"). IFRSs comprise accounting standards prefixed IFRS issued by the International Accounting Standards Board and those prefixed IAS issued by the IASB's predecessor body, as well as interpretations issued by the IFRS Interpretations Committee ("IFRSIC") and its predecessor body.

In preparation of these financial statements the Balance sheet has been arranged in order of liquidity.

The following new IFRS pronouncement relevant to the Company has been adopted in these financial statements:

- Minor amendments to other accounting standards: The IASB has issued a number of minor amendments to IFRSs effective 1 January 2022 (including IAS 1 Presentation of financial statements and IAS 8 Accounting policies, changes in accounting estimates and errors).

Details of those pronouncements which will be relevant to the Company but which were not effective at 31 December 2022 and which have not been applied in preparing these financial statements. No standards have been early adopted.

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (the "functional currency"). The financial statements are presented in pounds sterling, which is the Company's functional and presentational currency.

As the directors intend to liquidate the Company at the earliest opportunity, the accounts have been prepared on a basis other than going concern. There would be no difference to asset values between a going concern basis and a basis other than going concern under the historical cost convention.

#### 1.2 Financial assets and liabilities

Financial assets comprise Cash and cash equivalents. Financial liabilities comprise Amounts due to group undertakings and Trade and other payables.

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are derecognised when the rights to receive cash flows, or obligations to pay cash flows, have expired.

Interest bearing financial assets and financial liabilities are recognised and measured at amortised cost inclusive of transaction costs, using the effective interest rate method.

#### 1.3 Cash and cash equivalents

For the purposes of the Balance sheet and Cash flow statement, Cash and cash equivalents comprise balances with less than three months' maturity.

#### 1.4 Taxation, including deferred income taxes

Tax expense comprises current and deferred tax. Current and deferred tax are charged or credited in the Statement of comprehensive income except to the extent that the tax arises from a transaction or event which is recognised, in the same or a different period, outside the Statement of comprehensive income (either in other comprehensive income, directly in equity, or through a business combination), in which case the tax appears in the same statement as the transaction that gave rise to it.

Current tax is the amount of corporate income taxes expected to be payable or recoverable based on the profit for the period as adjusted for items that are not taxable or not deductible, and is calculated using tax rates and laws that were enacted or substantively enacted at the balance sheet date.

## Notes to the financial statements (continued)

For the year ended 31 December 2022

### 1. Accounting policies (continued)

#### 1.4 Taxation, including deferred income taxes (continued)

Current tax includes amounts provided in respect of uncertain tax positions when management expects that, upon examination of the uncertainty by His Majesty's Revenue and Customs ("HMRC") or other relevant tax authority, it is more likely than not that an economic outflow will occur. Provisions reflect management's best estimate of the ultimate liability based on their interpretation of tax law, precedent and guidance, informed by external tax advice as necessary. Changes in facts and circumstances underlying these provisions are reassessed at each balance sheet date, and the provisions are re-measured as required to reflect current information.

Deferred tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the balance sheet. Deferred tax is calculated using tax rates and laws that have been enacted or substantively enacted at the balance sheet date, and which are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax liabilities are generally recognised for all taxable temporary differences but not recognised for taxable temporary differences arising on investments in subsidiaries, associates and joint arrangements where the reversal of the temporary difference can be controlled and it is probable that the difference will not reverse in the foreseeable future. Deferred tax liabilities are not recognised on temporary differences that arise from goodwill which is not deductible for tax purposes.

Deferred tax assets are recognised to the extent it is probable that taxable profits will be available against which the deductible temporary differences can be utilised, and are reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. In certain cases where forecast profits are not expected to be sufficient to support the recognition of a deferred tax asset on a standalone entity basis, further consideration has been given to the availability of UK group relief with connected companies to support the recognition.

Deferred tax assets and liabilities are not recognised in respect of temporary differences that arise on initial recognition of assets and liabilities acquired other than in a business combination. Deferred tax is not discounted.

#### 1.5 Provision for liabilities and charges

Provisions are recognised in respect of present obligations arising from past events where it is probable that outflows of resources will be required to settle the obligations and they can be reliably estimated.

### 2. Critical accounting estimates and judgements in applying accounting policies

The preparation of financial statements in conformity with IFRS principles requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although those estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.

Following the material utilisation of the remaining PPI provision, there are no further areas of significant judgement made by management in applying the Company's accounting policies or key areas of estimate around uncertainty within these financial statements.

Estimation of income taxes includes the assessment of recoverability of deferred tax assets. Deferred tax assets are only recognised to the extent they are considered more likely than not to be recoverable based on existing tax laws and forecasts of future taxable profits against which the underlying tax deductions can be utilised.

## Notes to the financial statements (continued)

For the year ended 31 December 2022

### 3. Other operating expenses

Fees payable to the Company's auditors for the audit of the financial statements of £2,000 (2021: £2,000) have been borne by a fellow group company and are not recharged to the Company. Accounting and administration services are provided by a fellow group undertaking and are not recharged to the Company. The Company did not have any employees during the year (2021: none).

### 4. Directors' emoluments

No director received any fees or emoluments from the Company during the year (2021: £nil). The directors are employed by other companies within the Group and consider that their services to the Company are incidental to their other responsibilities within the Group (see also note 10).

### 5. Taxation

	2022 £'000	2021 £'000
<b>a) Analysis of (credit)/charge for the year</b>		
UK corporation tax:		
Current tax on taxable result/profit for the year	-	-

Corporation tax is calculated at a rate of 19.00% (2021: 19.00%) of the taxable profit for the year.

#### b) Factors affecting the tax (credit)/charge for the year

A reconciliation of the credit/(charge) that would result from applying the standard UK corporation tax rate to the profit before tax to the actual tax charge for the year is given below:

	2022 £'000	2021 £'000
Result / loss before taxation	-	(48)
Tax credit/(charge) thereon at UK corporation tax rate of 19.00% (2021: 19.00%)	-	9
Factors affecting charge:		
- Timing differences not recognised	-	(9)
Tax credit/(charge) on result/loss	-	-
Effective rate	0.00%	0.00%

Finance Act 2021, which received Royal Assent on 10 June 2021, increases the rate of corporation tax from 19% to 25% with effect from 1 April 2023.

A deferred tax asset of £225,000 (2021: £223,000) relating to miscellaneous losses has not been recognised on the basis that the Company has insufficient forecast taxable profits to recover the asset in future periods. Subject to some conditions the losses can be carried forward indefinitely and offset against future taxable profits.

## Notes to the financial statements (continued)

For the year ended 31 December 2022

### 6. Borrowed funds

	2022 £'000	2021 £'000
Amounts due to group undertakings (see note 10)	2,065	2,062

Amounts due to group undertakings are unsecured, non-interest bearing and repayable on demand, although there is no expectation that such a demand would be made.

### 7. Trade and other payables

	2022 £'000	2021 £'000
Other payables	22	22

Trade and other payables includes a balance of £1,000 (2021: £16,000) in respect of amounts due to customers.

### 8. Provision for liabilities and charges

	PPI Provision £'000
At 1 January 2021	4
Credit for the year	46
Utilised during the year	(50)

At 31 December 2021

-

There was no provision activity during 2022.

As at 31 December 2022, the Company carried a provision of £nil (2021: £nil) against the cost of making redress payments to customers and the related administration costs in relation to the mis-selling of PPI.

### 9. Share capital

	2022 £'000	2021 £'000
Allotted, issued and fully paid		
100 ordinary shares of £1 each (2021: 100 ordinary shares of £1 each)	-	-

## Notes to the financial statements (continued)

For the year ended 31 December 2022

### 10. Related party transactions

The Company is controlled by Bank of Scotland plc. Transactions are entered into with related parties in the normal course of business. These include loan and fee transactions. A summary of the outstanding balances at the year are set out below.

	2022 £'000	2021 £'000
<b>Cash and cash equivalents held with group undertakings</b>		
Bank of Scotland plc	1,635	1,632
<hr/>		
<b>Amounts due to group undertakings</b>		
Bank of Scotland plc (see note 6)	2,065	2,062
<hr/>		

The above balances are unsecured in nature and are expected to be settled in cash or by cash equivalents. Transactions in the year are those reflected through the Statement of comprehensive income.

#### Key management personnel

Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity. The directors of the subsidiary and the directors of Lloyds Banking Group plc, together with other full members of the Group Executive Committee, are key management personnel of the subsidiary. There were no transactions between the Company and key management personnel during the current or preceding year.

## Notes to the financial statements (continued)

For the year ended 31 December 2022

### 11. Financial risk management

The Company's operations expose it to liquidity risk and business risk; it is not exposed to any significant credit risk, interest rate risk, foreign exchange risk or market risk. Responsibility for the control of overall risk lies with the board of directors, operating within a management framework established by Bank of Scotland plc, and the ultimate parent, Lloyds Banking Group plc. The liquidity risk faced by the Company is in substance managed and borne by other group undertakings which fund the Company. A description of the Company's financial assets/liabilities and associated accounting policies is provided in note 1.

#### 11.1 Liquidity risk

Liquidity risk is the risk that the Company is unable to meet its obligations as they fall due. To manage this risk extensive borrowing facilities are available from within the Group.

Liquidity risks are managed as part of the Group by the immediate parent company, Bank of Scotland plc, in consultation with the board of directors. Monthly reviews of funding positions are undertaken to anticipate any shortfalls.

#### 11.2 Financial strategy

The Company does not trade in financial instruments, nor does it use derivatives.

#### 11.3 Fair values of financial assets and liabilities

The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The directors consider that there are no significant differences between the carrying amounts shown in the Balance sheet and the fair value.

#### 11.4 Credit Risk

Credit risk is the risk that a counter party will be unable to pay amounts in full when due. The credit risk associated with Cash and cash equivalents and Amounts due from group undertakings is not considered significant as held with other parties within the Group.

### 12. Capital disclosures

The Company's objectives when managing capital are to provide an adequate return to its shareholders through pricing products and services commensurately with the level of risk and, indirectly, to support the Group's regulatory capital requirements.

The Company's parent manages the Company's capital structure and advises the board of directors to consider making adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the board of directors may adjust the amount of dividends to be paid to shareholders, return capital to shareholders, issue new shares, or sell assets.

The Company's capital comprises all components of equity, movements in which appear in the Statement of changes in equity. Total equity comprises Share capital of £100 (2021: £100) and Accumulated losses of £452,000 (2021: £452,000). The Company receives its funding requirements from its fellow group undertakings and does not raise funding externally.

## Notes to the financial statements (continued)

For the year ended 31 December 2022

### 13. Contingent liabilities and capital commitments

There were no contingent liabilities or contracted capital commitments at the Balance sheet date (2021: £nil).

### 14. Post balance sheet events

There are no post balance sheet events requiring disclosure in these financial statements.

### 15. Future developments

The following pronouncement was relevant to the Company but was not effective at 31 December 2022 and has not been applied in preparing these financial statements.

Pronouncement	Nature of change	Effective date
Minor amendments to other accounting standards	The IASB has issued a number of minor amendments to IFRSs effective 1 January 2023 and in later years (including IAS 1 Presentation of financial statements and IAS 8 Accounting policies, changes in accounting estimates and errors).	Annual periods beginning on or after 1 January 2023.

The full impact of this pronouncement is being assessed by the Company. However, this is not expected to have any material impact to the reported numbers in the financial statements.

### 16. Ultimate parent undertaking and controlling party

The immediate parent company is Bank of Scotland plc (incorporated in Scotland). The company regarded by the directors as the ultimate parent company and controlling party is Lloyds Banking Group plc (incorporated in Scotland), which is also the parent undertaking of the largest group of undertakings for which group financial statements are drawn up and of which the Company is a member. Bank of Scotland plc is the parent undertaking of the smallest such group of undertakings. Copies of the financial statements of both companies may be obtained from Group Secretariat, Lloyds Banking Group plc, 25 Gresham Street, London, EC2V 7HN. The Lloyds Banking Group plc financial statements may be downloaded via [www.lloydsbankinggroup.com/investors/financial-downloads.html](http://www.lloydsbankinggroup.com/investors/financial-downloads.html).

## Independent auditors' report to the member of First Retail Finance (Chester) Ltd

### Report on the audit of the financial statements

#### Opinion

In our opinion the financial statements of First Retail Finance (Chester) Limited (the 'Company'):

- give a true and fair view of the state of the Company's affairs as at 31 December 2022 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom adopted international accounting standards and International Financial Reporting Standards (IFRSs) as issued by the International Accounting Standards Board (IASB); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of comprehensive income;
- the balance sheet;
- the statement of changes in equity;
- the cash flow statement;
- the related notes 1 to 16.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom adopted international accounting standards and IFRSs as issued by the IASB.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's ("the FRC's") Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of matter - Financial statement prepared other than on a going concern basis

We draw attention to note 1 in the financial statements, which indicates that the financial statements have been prepared on a basis other than that of going concern. Our opinion is not modified in respect of this matter.

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditors' report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Responsibilities of directors

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## **Independent auditors' report to the member of First Retail Finance (Chester) Ltd (continued)**

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Extent to which the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the company's industry and its control environment and reviewed the company's documentation of its policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities, including those that are specific to the company's business sector.

We obtained an understanding of the legal and regulatory framework that the company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included UK Companies Act and UK tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the Company's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management and legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

### **Report on other legal and regulatory requirements**

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

## **Independent auditors' report to the member of First Retail Finance (Chester) Ltd (continued)**

### **Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption in preparing the directors' report and from the requirement to prepare a strategic report.

We have nothing to report in respect of these matters.

### **Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.
