In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently:

AUDITORS' REPORT TO THE MEMBERS OF ARDENT COMMUNICATIONS LIMITED

We have audited the financial statements on pages 5 to 9 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

RESPECTIVE RESPONSIBILITIES OF THE DIRECTORS AND AUDITORS

As described in the Directors' Report, the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 December 1997 and of its results for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985.
