DIRECTORS REPORT

The directors present their report, together with the accounts for the year ended 31st October 2007

Company Law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing those accounts, the directors are required to -

- select suitable accounting policies and then apply them consistently,
- b) make judgements and estimates that are reasonable and prudent,
- c) state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts, and
- d) prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985

They are also responsible for safekeeping the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Result and Dividends

The company made a profit before tax of £78,425 During the period dividends totalling £7,500 (2006 £7,500) per share were paid. No further dividend is proposed for the period ended 31st October 2007

Principal Activities

The principal activity of the company during the year continued to be that of pharmaceutical engineering consultancy

NOTES TO THE ACCOUNTS

1. ACCOUNTING POLICIES

1.1 Basis of Accounting

The accounts have been prepared under the historical cost convention, which does not take into account the effects of inflation, and in accordance with the Financial Reporting Standard for Smaller Entities

12 Turnover

Turnover represents the net amounts invoiced during the year, excluding value added tax. Turnover arose mainly from sales made within the United Kingdom and was entirely attributable to the principal activity of the company.

13 Depreciation

Depreciation has been provided on the following class of fixed asset at a rate calculated so as to write off the cost over the estimated useful life

Office Equipment - 25% on reducing balance

1 4 Deferred Taxation

Deferred taxation is provided using the liability method on timing differences due to accelerated capital allowances and other differences in recognising revenue and expense items in different periods for taxation purposes. Provision is not made where, in the opinion of the directors, such differences are expected, with reasonable probability, to continue in the foreseeable future.

15 Pensions

The Company operates a defined contribution scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The pension cost charge represents contributions payable by the company to the fund and amounted to $\mathfrak{L}9,000$ ($2006\ \mathfrak{L}15,000$)

2. PROFIT ON ORDINARY ACTIVITIES BEFORE TAXATION
