REPORT OF THE DIRECTORS

The directors submit their report and accounts for the year ended 31 July 1996.

PRINCIPAL ACTIVITIES

The college is one of the largest providers of professional training for youth work, community work and community education in the United Kingdom. It offers its courses in association with Canterbury Christ Church College and the University of Kent at Canterbury. It has pioneered the use of distance education methods. The college has also provided the base for a number of research and development projects.

RESULTS

The surplus for the year was £615,986 inclusive of an exceptional receipt from the National Council of YMCAs of £519,765 (1995 - £nil). The college had 103 full-time and 187 part-time registered students during 1995/96, in its role of professional training for youth work and community education in the UK. A CMS course was started during the year in Zambia, and the college is hopeful that further courses in Hong Kong and Europe will commence in 1996/97. As stated in note 3 to these financial statements the operations of the company were formerly undertaken as part of the National Council of YMCAs, and the net assets transferred to the company for no consideration.

DIRECTORS -

The directors who held office at 31 July 1996 are as listed on page 2.

MARKET VALUE OF LAND AND BUILDINGS

The freehold property at 642A Forest Road, London, E17 was revalued in the year by Palmer Payne & Co, Chartered Surveyors, on an open market basis. The valuation of £60,000 has been incorporated in the amount shown as transferred from the National Council of YMCAs.

AUDITORS

A resolution to re-appoint Dixon Wilson as auditors in accordance with Section 385 of the Companies Act 1985 will be proposed at the following annual general meeting.

SPECIAL EXEMPTIONS

In preparing the above report advantage has been taken of the special exemptions applicable to small companies under Part II of Schedule 8 to the Companies Act 1985.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985, the Statement of Recommended Practice for Higher Education Institutions and the Charities Act 1993. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT TO THE MEMBERS OF YMCA GEORGE WILLIAMS COMPANY (INCORPORATED) (Limited by Guarantee)

We have audited the financial statements on pages 7 to 13 which have been prepared under the accounting policies set out on page 9.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described on page 5 the directors are responsible for the preparation of the financial statements. It is our responsibility to form an independent opinion, based on our audit, on those financial statements and to report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Board Members in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 July 1996 and of its surplus for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985 applicable to small companies.

ACCOUNTING POLICIES

Year ended 31 July 1996

Basis of accounting

These financial statements have been prepared under the historical cost convention and in accordance with Statement of Recommended Practice: Accounting in Higher Education Institutions (1994) and applicable accounting standards.

Capital expenditure

All capital expenditure below £2,000 is written off as and when it is incurred.

Taxation

No provision for taxation is necessary on the surplus for the period as the activities of George Williams Company are exempt from corporation tax.

Grants

Grants are accounted for on a receivable basis as and when they fall due.

Cash flow

The financial statements do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Financial Reporting Standard 1, "Cash flow statements".
