Linden Germany A Limited

Strategic Report For the Year Ended 31 December 2020

The Directors of Linden Germany A Limited (the "Company") present their Strategic Report for the year ended 31 December 2020.

Principal activities

The principal activity of the Company is to act as a holding company for other Group Companies. The Company, which is a member of the Reckitt group of companies (the "Group"), carries out the strategy intended by the Company Directors.

Business review

Review of the business

The Company continues to hold investments in other Group Companies. There have been no changes in the Company's principal activities during the year.

Given the straightforward nature of the business, the Company's Directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business.

Principal risks and uncertainties

From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of the Group and are not managed separately. Accordingly, the principal risks and uncertainties of the Group, which include those of the Company, are discussed on pages 80 to 92 in the Reckitt Benckiser Group plc 2020 Annual Report which does not form part of this report.

Financial risk management

The Company is a subsidiary undertaking within the Group. Cash funds of the Company are managed at Group level. Interest is paid by the Company on certain loans with other Group companies.

Liquidity and interest rate risk

The Company's arrangements with the Group, as described above, ensure it can access the funds needed to meet its liquidity requirements as cash can be obtained through Group funding. Interest payable on loans with other Group companies is calculated at either floating rates of interest or the loan is interest free. The Company's liquidity requirements and interest rate risks are managed at a Group level.

Credit risk

The Company has no significant concentrations of credit risk. Financial Institution counterparties are subject to approval under the Group's counterparty risk policy and such approval is limited to financial institutions with a BBB rating or above. The amount of exposure to any individual counterparty is subject to a limit defined within the counterparty risk policy, which is reassessed annually by the Board of Reckitt Benckiser Group plc. Amounts owing from companies in the Group are usually remitted within the Company's standard credit terms.

COVID-19

An impact assessment of COVID-19 on the Group's going concern and Viability statement has been performed as set out on page 93 of the Group's 2020 Annual report and Financial Statements. Through this assessment, the Board believes that the Group is well-positioned to manage its principal risks successfully. The Board's belief is based on consideration of the historic resilience of Reckitt and has taken account of its current position and prospects, the actions taken to manage the Group's debt profile, risk appetite and the principal risks facing the business in unexpected and adverse circumstances. Based on this assessment updated to 29 September 2021, and given the nature of the Company's operations, the Directors remain satisfied that the Company's operations are unlikely to be materially impacted by COVID-19.

Linden Germany A Limited

Strategic Report (continued) For the Year Ended 31 December 2020

Results for the year and movement on reserves

The Financial Statements for the year ended 31 December 2020 show a loss of €3,454,000 (2019 - loss of €1,334,000) which has been deducted from reserves (2019 - deducted from reserves).

The Directors do not recommend the payment of a dividend (2019 - €Nil).

Future developments

No significant change in the business of the Company has taken place during the year or is expected in the immediately foreseeable future.

This report was approved by the Board on 29 September 2021 and signed on its behalf.

Linden Germany A Limited

Directors' Report to the members of Linden Germany A Limited For the Year Ended 31 December 2020

The Directors present their report and the audited Financial Statements for the year ended 31 December 2020.

Directors

The Directors of the Company who held office during the year and up to the date of signing of the Financial Statements, unless otherwise stated, were as follows:

Matus Rajnak
Adrian Enno Weis
Arnoud Hensing

Directors' indemnity

On 28 July 2009, Reckitt Benckiser Group plc executed a deed poll of indemnity for the benefit of each individual who is, at any time on, or after 28 July 2009, an officer of Reckitt Benckiser Group plc and/or any company within the Group in respect of costs of defending claims against them and liabilities suffered or incurred by them.

Statement of Directors' responsibilities in respect of the Strategic Report, the Directors' Report and the Financial Statements

The Directors are responsible for preparing the Strategic Report, the Directors' Report and the Financial Statements in accordance with applicable law and regulation.

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law they have elected to prepare the Financial Statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *'The Financial Reporting Standard applicable in the UK and Republic of Ireland'*.

Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Results for the year and movement on reserves

The Company's results for the year and movements on reserves are included in the Strategic Report on page 2.

Financial risk management

The Company's approach to managing risk is included in the Strategic Report on page 1.

Linden Germany A Limited

Directors' Report to the members of Linden Germany A Limited (continued) For the Year Ended 31 December 2020

Future developments

No significant change in the business of the Company has taken place during the year or is expected in the immediately foreseeable future.

Going concern

The primary risk surrounding this Company is in relation to its ability to repay amounts owed to Group undertakings, as stated in note 6. This amounts to €47,363k which is due within 12 months from the Balance Sheet date. If these amounts were to be recalled then the Company has received indication from Reckitt Benckiser Group plc to the effect that it will ensure that the Company has sufficient funds to enable it to continue as a going concern without significant curtailment of its operations for the foreseeable future and at least the next twelve months from the date of this report.

The Directors have considered that the Company currently holds investments in other Group companies with a carrying value of €237,651k at the Balance Sheet date resulting in an overall net asset position of the Company of €190,288k.

Based on this assessment updated to 29 September 2021, and given the nature of the Company's operations, the Directors remain satisfied that the Company's investments (refer Note 5) are unlikely to be materially impacted by COVID-19, and that the Company will not need to take responsive steps to continue functioning as a going concern.

Independent auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Political contributions

Neither the Company nor any of its subsidiaries made any political donations or incurred any political expenditure during the year.

Disclosure of information to auditor

Each of the persons who are Directors at the time when this Directors' Report to the members of Linden Germany A Limited is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This report was approved by the Board on 29 September 2021 and signed on its behalf.

Linden Germany A Limited

Independent Auditor's Report to the Members of Linden Germany A Limited

Opinion

We have audited the Financial Statements of Linden Germany A Limited ("the Company") for the year ended 31 December 2020 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and related notes, including the accounting policies in note 1.

In our opinion the Financial Statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The Directors have prepared the Financial Statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the Financial Statements ("the going concern period").

In our evaluation of the Directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the Directors' use of the going concern basis of accounting in the preparation of the Financial Statements is appropriate;
- we have not identified, and concur with the Directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

Linden Germany A Limited

Independent Auditor's Report to the Members of Linden Germany A Limited (continued)

Fraud and breaches of laws and regulations – ability to detect

Identifying and responding to risks of material misstatement due to fraud

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included enquiring of Directors, reading Board of Directors meetings' minutes and inspection of policy documentation as to the Reckitt Benckiser Group plc's policies and procedures to prevent and detect fraud that apply to this group company as well as enquiring whether the Directors have knowledge of any actual, suspected or alleged fraud.

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition as the Company has no revenues other than interest income. We did not identify any additional fraud risks.

We performed procedures including agreeing all accounting entries in the period to supporting documentation.

Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the Financial Statements from our general commercial and sector experience and through discussion with the Directors (as required by auditing standards), and discussed with the Directors the policies and procedures regarding compliance with laws and regulations.

The Company is subject to laws and regulations that directly affect the Financial Statements including financial reporting legislation (including related companies legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related Financial Statement items.

This company, as a holding company, is not subject to other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the Financial Statements.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the Financial Statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the Financial Statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

Linden Germany A Limited

Independent Auditor's Report to the Members of Linden Germany A Limited (continued)

Strategic Report and Directors' Report

The Directors are responsible for the Strategic Report and the Directors' Report. Our opinion on the Financial Statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the Strategic Report and the Directors' Report and, in doing so, consider whether, based on our Financial Statements audit work, the information therein is materially misstated or inconsistent with the Financial Statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the Strategic Report and the Directors' Report;
- in our opinion the information given in those reports for the financial year is consistent with the Financial Statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the Financial Statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 3, the Directors are responsible for: the preparation of the Financial Statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Statements.

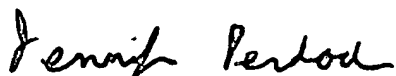

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

Linden Germany A Limited

Independent Auditor's Report to the Members of Linden Germany A Limited (continued)

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Linden Germany A Limited

Notes to the Financial Statements For the Year Ended 31 December 2020

1. Accounting Policies

1.1 General Information

Linden Germany A Limited is a private company limited by shares and is registered in England and Wales. The address of the registered office is given on the Company Information page, at the beginning of these statutory Financial Statements. The nature of the Company's operations and its principal activities are set out in the Strategic Report on pages 1 to 2.

1.2 Statement of Compliance

The Financial Statements have been prepared on a going concern basis, under the historical costs convention and in compliance with United Kingdom accounting standards, including Financial Reporting Standard 102, *"The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland"* ("FRS 102") and the Companies Act 2006.

1.3 Basis of Preparation

The principal accounting policies applied in the preparation of these Financial Statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The preparation of Financial Statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 2).

1.4 Financial Reporting Standard 102 – Reduced Disclosure Exemptions

The Company has taken advantage of the following disclosure exemptions in preparing these Financial Statements, as permitted by FRS 102 for qualifying entities:

- the requirements of section 3 Financial Statement Presentation paragraph 3.17(d) and section 7 Statement of Cash Flows not to prepare a Statement of Cash Flows; and
- the requirements of section 33 Related Party Disclosures paragraph 33.7 not to disclose key management personnel compensation in total.

The Company's results are included in the publicly available consolidated Financial Statements of Reckitt Benckiser Group plc and these Financial Statements may be obtained from 103-105 Bath Road, Slough, Berkshire, SL1 3UH, United Kingdom, or at <https://www.reckitt.com>.

Linden Germany A Limited

Notes to the Financial Statements For the Year Ended 31 December 2020

1. Accounting Policies (continued)

1.5 Going concern

The primary risk surrounding this Company is in relation to its ability to repay amounts owed to Group undertakings, as stated in note 6. This amounts to €47,363k which is due within 12 months from the Balance Sheet date. If these amounts were to be recalled then the Company has received indication from Reckitt Benckiser Group plc to the effect that it will ensure that the Company has sufficient funds to enable it to continue as a going concern without significant curtailment of its operations for the foreseeable future and at least the next twelve months from the date of this report.

The Directors have considered that the Company currently holds investments in other Group companies with a carrying value of €237,651k at the Balance Sheet date resulting in an overall net asset position of the Company of €190,288k.

Based on this assessment updated to 29 September 2021, and given the nature of the Company's operations, the Directors remain satisfied that the Company's investments (refer Note 5) are unlikely to be materially impacted by COVID-19, and that the Company will not need to take responsive steps to continue functioning as a going concern.

1.6 Consolidation

The Financial Statements contain information about Linden Germany A Limited as an individual company and do not contain consolidated financial information as the parent of a group. The Company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated Financial Statements as it and its subsidiary undertakings are included in the consolidated Financial Statements of its ultimate parent company, Reckitt Benckiser Group plc, a company registered in England and Wales.

1.7 Interest

Interest receivable is recognised when it is probable that the economic benefits will flow to the Company and the amount of revenue can be measured reliably. Interest receivable is credited to the Statement of Comprehensive Income on recognition. Interest payable is recognised when it is probable that the economic benefits will flow from the Company and the amount of expense can be measured reliably. Interest payable is debited to the Statement of Comprehensive Income on recognition.

1.8 Taxation

Tax is based on the result for the year and takes into account taxation deferred due to timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax liabilities are provided for in full and deferred tax assets are recognised to the extent that they are considered recoverable.

Linden Germany A Limited

Notes to the Financial Statements For the Year Ended 31 December 2020

1. Accounting Policies (continued)

1.9 Investments

Initial Recognition

The Company recognises investments using the cost model, under FRS 102. This means that the Company recognises investments at their cost.

Under FRS 102, if investments are transferred for no consideration as a distribution or a contribution, the receiving company will be required to recognise the investments at nil value as there has not been a cost in acquiring the investments.

An exception to this occurs if a transfer of an asset from a subsidiary results in diminution of value of the subsidiary to less than its carrying value in the parent's Financial Statements. In that case, there has been no overall loss to the parent company and so, the Directors are of the view that the resulting "impairment" should be added to the carrying amount of the investment received.

Subsequent Measurement

Investments are subsequently measured at the lower of cost or their recoverable amount, which is determined as the higher of net realisable value and value in use. A review of the potential impairment of an investment is carried out by the Directors if events or changes in circumstances indicate that the carrying value of the investment may not be recoverable. Such impairment reviews are performed in accordance with FRS 102 Section 27 'Impairment of assets'.

1.10 Financial Instruments

The Company only enters into basic financial instrument transactions that result in the recognition of basic financial assets and liabilities, including trade and other receivables and payables and loans to and from related parties. These transactions are initially recorded at transaction price, unless the arrangement constitutes a financing transaction where the transaction is measured at the present value of the future receipt discounted at a market rate of interest, and subsequently recognised at amortised cost.

(a) Financial Assets

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in comprehensive income or expense.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

Linden Germany A Limited

Notes to the Financial Statements For the Year Ended 31 December 2020

1. Accounting Policies (continued)

1.10 Financial Instruments (continued)

(b) Financial Liabilities

Basic financial liabilities, including loans from fellow group companies, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of future payments discounted at a market rate of interest. Debt instruments are subsequently carried at amortised cost.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

2. Accounting Estimates and Judgements

In the application of the Company's accounting policies the Directors are required to make a number of estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In preparing these Financial Statements, the Directors have had to make the following judgements:

- Determine whether there are indicators of impairment of the Company's fixed asset investments. Factors taken into account are net assets for holding and financing companies and enterprise value for trading companies.
- Determine the extent of prior year tax adjustments following the recent tax audit of the Company.

The Company's Directors are of the opinion that there are no further judgements and no estimates that have a significant risk of causing material adjustment to the carrying value of assets and liabilities for the Company within the next financial year.

3. Interest expense and similar charges

	2020 €000	2019 €000
Other interest expense	30	524

Linden Germany A Limited

Notes to the Financial Statements For the Year Ended 31 December 2020

4. Taxation

The Company is tax resident in the Netherlands.

	2020 €000	2019 €000
Corporation tax		
Current tax on loss for the year	3,375	1,131
Adjustments in respect of previous periods	49	(321)
Total current tax	<u>3,424</u>	<u>810</u>
Tax on loss	<u><u>3,424</u></u>	<u><u>810</u></u>

Reconciliation of tax charge

The tax assessed for the year is higher than (2019 - higher than) the standard rate of corporation tax in the Netherlands of 16.5% on first €200,000 and 25% in excess of €200,000 (2019 - 20% on first €200,000 and 25% in excess of €200,000). The differences are explained below:

	2020 €000	2019 €000
Loss before tax	<u>(30)</u>	<u>(524)</u>
Loss multiplied by standard rate of corporation tax in the Netherlands of 16.5% on first €200,000 and 25% in excess of €200,000 (2019 - 20% on first €200,000 and 25% in excess of €200,000)	(5)	(105)
Effects of:		
Foreign tax on income not recognised in these accounts	3,375	1,131
Adjustments in respect of previous periods of foreign tax on income not recognised in these accounts	49	(321)
Expenses not deductible	5	105
Total tax charge for the year	<u><u>3,424</u></u>	<u><u>810</u></u>

Linden Germany A Limited

Notes to the Financial Statements For the Year Ended 31 December 2020

5. Investments

	Investments in subsidiary undertakings €000
Cost	
At 1 January 2020	1,097,877
At 31 December 2020	<u>1,097,877</u>
Impairment	
At 1 January 2020	860,226
