A guide to the fees and expenses charged by Redman Nichols Butler

Expenses of Redman Nichols Butler

From time to time, we will incur expenses on behalf of insolvent estates. The reimbursement of these expenses will be a charge against the insolvent estate to which they relate. These expenses can be split into two categories, Category 1 and Category 2.

Category 1 expenses: these are payments to persons providing the service to which the expense relates who are not an associate of the office holder. We seek to recover these types of expenses and approval is not required to recover these expenses. These expenses include insolvency bonds, advertising, company searches and post redirection orders.

Category 2 expenses: these are payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement. These expenses are recoverable from the estate, subject to the basis of the expense charge being approved by members in advance.

Category 2 expenses are recharged at the following rates:

Mileage	45 pence per mile
Postage	Prevailing rates
Archive boxes	£5 per box
Box storage	£6 per box
Box destruction	£5 per box

The charges above are subject to annual increments and members will be advised of these in future circulars.
