NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

1. **STATUTORY INFORMATION**

Aadvark Cleaning Company Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The financial statements are presented in Sterling (£) and rounded to the nearest pound (£).

The financial statements relate to Aadvark Cleaning Company Ltd as an individual entity.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Related party exemption

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Significant judgements and estimates

The preparation of financial statement requires the use of estimates and assumptions that affect reported amounts of assets and liabilities at the date of the financial statements, and revenue and expenses during the reporting period. These estimates and assumptions are based on management's best knowledge of the amount, event or actions. Actual results may differ from those amounts.

Revenue recognition

Revenue represents the value of goods and services supplied during the year, excluding value added tax. It is recognised on the date the goods or services are supplied.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 50% on cost
Motor vehicles	- 20% on cost
Computer equipment	- 25% on cost

Tangible fixed assets are included at cost less depreciation and impairment.

The assets' residual values, useful lives and depreciation methods are reviewed and adjusted prospectively if appropriate.

Stocks

Stocks are valued at the lower of cost and estimated selling price less costs to sell, after making due allowance for obsolete and slow moving items.

Financial instruments

Financial instruments are recognised in line with Sections 11 and 12 of FRS 102.

Basic financial instruments, such as bank and cash, loans, amounts due to/from group undertakings, trade receivables and payables are initially recognised at transaction price, unless they constitute a financing arrangement, when the transaction is measured at the present value of the future receipts/payments discounted at a market rate of interest. Such instruments are subsequently carried at amortised cost using the effective interest rate method.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2018

2. ACCOUNTING POLICIES - continued

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.
